ITEMS FOR DISCUSSION:

Resolution 2023-240 was not approved with the consent agenda but will be discussed during executive session and considered after reconvening.

The Mayor thanked the Public Works Department, the Police Department, the Fire and First Aid Departments, and the Borough Administrator for their efforts regarding the Menorah Lighting and Tree Lighting.

Comm. Cumiskey asked the Police Chief to explain what the program "Arrives Together" referes to. The Chief advised that "Arrives Together" is a county program which coordinates a mental health response with a law enforcement response, when appropriate. When requested, the county will send an officer specially trained in mental health, as well as a mental health professional, to a incident.

Comm. Cumiskey asked for a status on the streets lights that are not working in town, specifically on Cedar Avenue. The Mayor advised that the Police Chief is tasked with reporting all outages to JCP&L street lights. However, has not been responsive. The Mayor stated that he feels the situation is horrendous as some lights have been out for almost two years. The Mayor contacted Senator Gopal's office for assistance. The latest update is that JCP&L is coming out on Friday to begin the repairs.

PUBLIC COMMENTS

Mr. James Caufield, of Spier Avenue, asked for clarification on the decisions that have been made regarding the Boardwalk Repair. Mr. Caufield questioned the Borough Engineer's design, in particular the need to replace the pilings. The Mayor advised that the Borough also has some issues with aspects of the project, but those issues are being cured and the project is on target to be completed by April. The Borough Clerk was tasked with following up with the Borough Engineer to ensure that the railings being installed are up to current code.

Mr. Caufield asked if emergency lights could be put up by the temporary fencing that is at the boardwalk area. The DPW Superintendent advised that he would put in some temporary lighting immediately.

Rich Heitmueller, of the Allenhurst Fire Department, advised that the annual Santa Gift Run would be taking place on the 15th. He also reminded everyone that the Fire Department hosts an Open House on New Year's Day and everyone is invited.

There being no further business or comments, Comm. McLoughlin moved, seconded by Comm. Cumiskey that the meeting move to executive session at 7:55 PM. Motion carried.

After reconvening at 8:45pm, the following resolution was considered:
