### **ITEMS FOR DISCUSSION**

There was some discussion about the RFP for the Tiki Bar. Mayor McLaughlin stated he didn't know why the bar couldn't sell food. Comm. McLoughlin stated they didn't want to give the snack bar any competition. Mayor McLaughlin asked what the harm would be in letting them sell a cold appetizer. It was decided to take any mention of food out of the RFP.

There was a short discussion on a letter sent to the Commissioners from someone trying to locate a WWII vet who lived in Allenhurst. Ms. Osborn stated there are no formal records, but she would ask a couple of residents, who may be able to help.

The Board discussed a letter sent by the Deal lake Commission concerning the beach replenishment and extension of the flume. Comm. Bolan asked what the other Commissioners thought about the replenishment and whether notching the jetty made a difference in their decision to have the sand replenishment. Mayor McLaughlin thought the Borough needed the volume of sand, but was not in favor of notching the jetty. Comm. McLoughlin stated that if the replenishment hinged on notching the jetty, he would rather opt out. Comm. Bolan agreed.

Mayor McLaughlin stated that if they get the sand, they can put cabanas all along the wall.

Comm. Bolan asked what happened to the cabana rules they were going to work on. Comm. McLoughlin stated they tabled it for the time being. Mayor McLaughlin stated that a resident did send him some ideas and they were going to meet to discuss them. Mayor McLaughlin stated there will be a significant increase in non-resident rates and that may open some cabanas. Comm. Bolan asked about the cabana owner who was supposed to lose his cabana this year. Mayor McLaughlin stated he had no problem telling them this will be their last year. Comm. McLoughlin stated they haven't done anything yet as they have not put the rules in writing. Mayor McLaughlin suggested working on the rules this summer when they can have meetings and get everyone's input.

Mr. Laughlin stated the State has easements from the four property owners as well as from the Borough.

There was a short discussion in which the Commissioners agreed to provide porta potties for the Antique Car Show event.

The Board had a lengthy discussion with members of the Allenhurst Fire Department and First Aid Squad concerning information requested by Interlaken Councilman Napoli. Richie Heitmueller explained the relief fund to the Commissioners. Comm. Bolan stated that Councilman Napoli has been invited several times to meetings, but has not come. Mayor McLaughlin stated he was told that Interlaken will go for the ambulance. It was determined that there has been no resolution from Interlaken regarding the new ambulance.

Peter Avakian, Borough Engineer discussed the beach replenishment and stated that he will ask the State for bigger pumps for the pool as the wellpoint system will have to be extended.

Mayor McLaughlin asked if Mr. Avakian had heard anything about the portable cabanas and Mr. Avakian replied that he did call to speak to someone in DEP Enforcement, but has not heard back. It does not look to him as if they are pursuing it.

There was a lengthy discussion on the water tower and a report from Verizon on the condition of same. Mr. Avakian stated that based on that report, Verizon feels the condition of the tower is bad enough that they do not want to maintain their equipment on it. They want the Borough to demolish it and they will put up a monopole.

Mayor McLaughlin asked if the tower could be stabilized and Peter responded that it would be very costly.

After a discussion on monopole versus tower, Comm. Bolan stated that after a while it will be invisible. It is behind buildings. Is the tower a safety issue? Maybe not yet.

Mr. Avakian stated that in 2002 he got an estimate of \$96,000 to rehab and paint the tower. That \$96,000 will be about \$250,000 now. To take it down would cost \$65,000 to \$75,000.

Comm. Bolan suggested moving it to a corner.

Mayor McLaughlin stated he is preparing a letter to go out to residents on other issues such as taxes and he will include something about the water tower and monopole.

The Board next discussed park improvements with Mr. Avakian, including sprinklers, a fitness trail, new equipment and a floating dock.

### **PUBLIC HEARING**

Tim Moriarty stated he went on-line and they offer cell towers in all different designs.

There being no further comments, the meeting adjourned to caucus.

After reconvening, the following resolution was considered:
