WHEREAS, the Borough has sought, to the best of its ability as a built out municipality with a lack of available vacant land, to meet the intent and spirit of the Affordable Housing process by drafting an affordable housing plan, participating in the court led settlement process, and reviewing its existing land use ordinances, and;

WHEREAS, the FSHC settlement agreement and Order of Fairness and Preliminary Compliance require the Borough to enact a number of ordinances including a Development Fee Ordinance, an Affordable Housing Ordinance, a Mandatory Set Aside Ordinance, an Overlay Zone Ordinance and a Redevelopment Plan Amendment all in accordance with the Borough's Third Round Housing Element and Fair Share Plan, consistent with the terms of the Settlement Agreement reached with Fair Share Housing Center regarding compliance with the Borough's affordable housing obligations.

NOW THEREFORE, BE IT ORDAINED by the Governing Body of the Borough of Allenhurst that the Borough Code of the Borough of Allenhurst, be and is hereby amended, revised and supplemented to create the following Chapters and sections:

SECTION I. The Borough Code of the Borough of Allenhurst be and is hereby supplemented to create Chapter 21 entitled "Affordable Housing Development Fees" as follows:

- 21-1 Affordable Housing Development Fees, Purpose:
- a. In Holmdel Builder's Association v. Holmdel Township, 121 N.J. 550 (1990), the New Jersey Supreme Court determined that mandatory development fees are authorized by the Fair Housing Act of 1985 (the Act), N.J.S.A. 52:27D-301 et seq., and the State Constitution, subject to the Council on Affordable Housing's (COAH's) adoption of rules.
 - b. Pursuant to P.L.2008, c.46 section 8 (C. 52:27D-329.2) and the Statewide Non-Residential Development Fee Act (C. 40:55D-8.1 through 8.7), COAH is authorized to adopt and promulgate regulations necessary for the establishment, implementation, review, monitoring and enforcement of municipal affordable housing trust funds and corresponding spending plans. Municipalities that are under the jurisdiction of the Council or court of competent jurisdiction and have a COAH or court approved spending plan may retain fees collected from non-residential development.
 - c. In In Re: Adoption of N.J.A.C. 5:96 and 5:97 by the New Jersey Council on Affordable Housing, 221 N.J. 1 (2015), also known as the Mount Laurel IV decision, the Supreme Court remanded COAH's duties to the Superior Court. As a result, affordable housing development fee collections and expenditures from the municipal affordable housing trust funds to implement municipal Third Round Fair Share Plans through July 1, 2025, are under the Court's jurisdiction and are subject to approval by the Court.
 - d. This section establishes standards for the collection, maintenance, and expenditure of development fees pursuant to COAH's regulations and in accordance P.L.2008, c.46, Sections 8 and 32-38. Fees collected pursuant to this section shall be used for the sole purpose of providing very low-, low and moderate income housing. This section shall be interpreted within the framework of COAH's rules on development fees, codified at N.J.A.C. 5:97-8.
- 21-2 Definitions. As used in this Chapter 21 of the Borough Code of the Borough of Allenhurst, the following terms shall have the following meanings:

 2. When an increase in residential density pursuant to N.J.S.A. 40:55D-70d(5) (known as a "d" variance) has been permitted, developers shall be required to pay a

development fee of six percent (6%) of the equalized assessed value for each additional unit that may be realized. However, if the zoning on a site has changed during the two year period preceding the filing of such a variance application, the base density for the purposes of calculating the bonus development fee shall be the highest density permitted by right during the two year period preceding the filing of the variance application.

- b. Eligible exactions, ineligible exactions and exemptions for residential development.

The fee percentage shall be vested on the date that the building permit is issued.
 - 3. Owner occupied residential structures demolished and replaced as a result of a fire, flood, or natural disaster shall be exempt from paying a development fee.
 - 4. Development fees shall be imposed and collected when an existing structure undergoes a change to a more intense use, is demolished and replaced, or when the square footage is increased by the creation of a new bedroom.  - 5. Nonprofit organizations which have received tax exempt status pursuant to section 501(c)(3) of the Internal Revenue Code, providing current evidence of that status is submitted to the municipal clerk, together with a certification that services of the organization are provided at reduced rates to those who establish an inability to pay existing charges, shall be exempted from paying a development fee.

 - 2. Non-residential developers, except for developers of the types of development specifically exempted, shall also pay a fee equal to two and one half percent (2.5%) of the increase in equalized assessed value resulting from any additions to existing structures to be used for non-residential purposes.
 - 3. Development fees shall be imposed and collected when an existing structure is demolished and replaced. The development fee of two and a half percent (2.5%) shall be calculated on the difference between the equalized assessed value of the pre existing land and improvement and the equalized assessed value of the newly improved structure, i.e., land and improvement, at the time final certificate of occupancy is issued. If the calculation required under this section results in a negative number, the non-residential development fee shall be zero.
- b. Eligible exactions, ineligible exactions and exemptions for non-residential development.
 - 1. The non-residential portion of a mixed use inclusionary or market rate development shall be subject to the two and a half percent (2.5%) development fee, unless otherwise exempted below.

Non-residential developments shall be exempt from the payment of non-residential development fees in accordance with the exemptions required pursuant to P.L.2008, c.46, as specified in the Form NRDF "State of New Jersey Non-Residential Development Certification/Exemption" Form. Any exemption claimed by a developer shall be substantiated by that developer.

If a property which was exempted from the collection of a non-residential development fee thereafter ceases to be exempt from property taxation, the owner of the property shall remit the fees required pursuant to this section within forty five (45) days of the termination of the property tax exemption. The reporting shall include an accounting of all Affordable Housing Trust Fund activity, including the source and amount of funds collected and the amount and purpose for which any funds have been expended.

2. Beginning on June 30, 2024, and on every anniversary of that date through June 30, 2025, the Borough agrees to provide annual reporting of the status of all affordable housing activity within the municipality through posting on the municipal website with a copy of such posting provided to FSHC, using forms previously developed for this purpose by COAH or any other forms endorsed by the Special Master and FSHC.

3. By June 30, 2024, and every third year thereafter, as required by N.J.S.A. 52:27D-329.1, the Borough will post on its municipal website, with a copy provided to FSHC, a status report as to its satisfaction of its very low income requirements, including its family very low income requirements. Such posting shall invite any interested party to submit comments to the municipality and FSHC on the issue of whether the municipality has complied with its very low income and family very low income housing obligations.

22-4 Applicability

a. The provisions of this section shall apply to all affordable housing developments and affordable housing units that currently exist and that are proposed to be created within the Borough of Allenhurst pursuant to the Borough's most recently adopted Housing Element and Fair Share Plan.

b. Moreover, this section shall apply to all developments that contain very low-, low- and moderate-income housing units, including any currently unanticipated future developments that will provide very- low, low- and moderate-income housing units.

c. Projects receiving Federal Low Income Housing Tax Credit financing shall comply with the income and bedroom distribution requirements of UHAC at N.J.A.C. 5:80-26.3 (with the exception that the UHAC requirement for 10% of the affordable units in rental projects being required to be at 35% of median income be modified as required by the statutory requirement, N.J.S.A. 52:27D-329.1 to 13% of affordable units in such projects shall be required to be at 30% of median income) and the length of the affordability controls applicable to such projects shall be not less than a thirty (30) year compliance period plus a 15 year extended use period.

22-5 Borough-wide Affordable Housing Mandatory Set-Aside Requirement

a. If the Borough or the Borough's Land Use Board permits the construction of multi family or single family attached residential development consisting of five (5) or more net new dwelling units at a density of six (6) or more units per acre, that is "approvable" and "developable," as defined at N.J.A.C. 5:93-1.3, the Borough or the Borough's Land Use Board shall require that 20% (twenty percent) of the residential units be set aside for very-low, low and moderate income households.

b. This requirement shall apply beginning with the effective date the Ordinance creating this section was adopted to any multi family or single family attached residential development, including the residential portion of a mixed use project, which consists of five (5) or more net new residential units at a density of six (6) or more units per acre, whether permitted by a zoning amendment, a variance granted by the Borough's Land Use Board, or adoption of a Redevelopment Plan or amended Redevelopment Plan in areas in need of redevelopment or rehabilitation.

c. Nothing in this section precludes the Borough or the Borough's Land Use Board from imposing an affordable housing set aside in a development not required to have a set aside pursuant to this paragraph consistent with N.J.S.A. 52:27D-311(h) and other applicable law.

d. This requirement does not create any entitlement for a property owner or applicant for a zoning amendment, variance, or adoption of a Redevelopment Plan or amended Redevelopment Plan in areas in need of redevelopment or rehabilitation, or for approval of any particular proposed project.

e. This requirement does not apply to any sites or specific zones otherwise identified in the Borough's Settlement Agreement with Power Station at Allenhurst. LLC and/or FSHC, or in the Borough's Housing Element and Fair Share Plan, for which density and set aside standards shall be governed by the specific standards set forth therein.

f. Furthermore, this section shall not apply to developments containing four (4) or less

net new dwelling units.

- g. All subdivision and site plan approvals of qualifying residential developments shall be conditioned upon compliance with the provisions of this section.
- h. Where a developer demolishes existing dwelling units and with the intent to construct new dwelling units on the same site, the provisions of this section shall apply only if the net number of new dwelling units is five (5) or more.
- i. All affordable housing units built as required by this section will comply with the requirements of Chapter 22 and any other applicable provisions of the Allenhurst Municipal Code relating to affordable housing.
- j. No subdivision shall be permitted or approved for the purpose of avoiding compliance with this requirement. For example, a developer cannot subdivide a project into two lots and then make each of them generate a number of units that is lower than the threshold.

22-6 New Construction. The following requirements shall apply to all new or planned developments that contain very low-, low- and moderate-income housing units.

- a. Phasing. Final site plan or subdivision approval shall be contingent upon the affordable housing development meeting the following phasing schedule for very low-, low- and moderate-income units whether developed in a single- phase development or in a multi-phase development:

Maximum Percentage of Market-Rate Units Completed	Minimum Percentage of Low- and Moderate- Income Units Completed
25	0
25+1	10
50	50
75	75
90	100

- b. Design
 - 1. In inclusionary developments, to the extent possible, very-low, low- and moderate- income units shall be integrated with the market units.
 - 2. In inclusionary developments, very-low, low- and moderate-income units shall have access to all of the same common elements and facilities as the market-rate units.
- c. Payments in lieu and off-site construction. Off-site construction of required affordable units shall not be permitted. Payments in lieu of constructing affordable units on-site shall not be permitted, with the exception of fractional units that are part of a required set-aside calculation, as follows:

In the event that the 20% inclusionary set-aside percentage of the total number of residential units does not result in a full integer, the developer may choose one of two options of addressing the fractional unit:

- 1. If the set-aside includes a fractional unit equal to 0.5 or more, the developer shall round the set-aside upward to construct a whole additional affordable unit; or
- 2. If the set-aside includes a fractional unit less than 0.5, the developer may either round the set-aside upward and provide an additional affordable unit; or may round the set-aside downward and construct the lesser whole number of affordable units, in which case the developer shall also make a payment in-lieu of constructing the fractional additional unit ("fractional payment in-lieu").
 - i. The fractional payment in-lieu amount shall be calculated as the fractional unit multiplied by the base payment in-lieu dollar amount established N.J.A.C. 5:97-6.4(c)3, as may be increased. For Example: If seven (7) total units are developed at an inclusionary site, a 20% set-aside would require 1.4 affordable units. Per the requirements above, the developer shall either:
 - A. Round up the 0.4 unit to one (1) whole affordable unit so as to construct a total of two (2) affordable housing units; or
 - B. Round the set-aside downward so as to construct only (1) affordable unit AND shall pay into the Borough's affordable housing

trust fund a fractional in-lieu payment equal to 0.4 times the dollar amount established in N.J.A.C. 5:97-6.4(c)3, as may be increased.

d. Utilities. Affordable units shall utilize the same type of heating source as market units within the affordable development.

e. Low/Moderate Split and Bedroom Distribution of Affordable Housing Units:

1. The fair share obligation shall be divided equally between low- and moderate-income units N.J.A.C. 5:93-2.20, except that where there is an odd number of affordable housing units, the extra unit shall be a low-income unit.

2. In each affordable development, at least 50 percent of the restricted units shall be affordable to low-income households. Also, at least 50 percent of the restricted units within each bedroom distribution shall be low-income units.

3. Within rental developments, of the total number of affordable rental units, at least 13 percent shall be affordable to very-low income households.

4. Affordable developments that are not age-restricted shall be structured in conjunction with realistic market demands such that:

i. The combined number of efficiency and one-bedroom units shall be no greater than 20 percent of the total very-low, low- and moderate-income units;

ii. At least 30 percent of all very-low, low- and moderate-income units shall be two bedroom units;

iii. At least 20 percent of all very-low, low- and moderate-income units shall be three bedroom units; and

iv. The remaining affordable units may be allocated among 2 and 3 bedroom units at the discretion of the developer.

5. Affordable developments that are age-restricted shall be structured such that the number of bedrooms shall equal the number of age-restricted very-low, low- and moderate-income units within the inclusionary development. The standard may be met by having all one-bedroom units or by having a two- bedroom unit for each efficiency unit.

f. Accessibility Requirements:

1. The first floor of all restricted townhouse dwelling units and all restricted units in all other multistory buildings shall be subject to the technical design standards of the Barrier Free Subcode, N.J.A.C. 5:23-7 and the following:

2. All restricted townhouse dwelling units and all restricted units in other multistory buildings in which a restricted dwelling unit is attached to at least one other dwelling unit shall have the following features:

i. An adaptable toilet and bathing facility on the first floor;

ii. An adaptable kitchen on the first floor;

iii. An interior accessible route of travel on the first floor;

iv. An adaptable room that can be used as a bedroom, with a door or the casing for the installation of a door, on the first floor; and

v. If not all of the foregoing requirements in 2.i. through 2.iv can be satisfied, then an interior accessible route of travel must be provided between stories within an individual unit, but if all of the terms of paragraphs 2.i) through 2.vi) above have been satisfied, then an interior accessible route of travel shall not be required between stories within an individual unit; and

vi. An accessible entranceway as set forth at P.L. 2005, c. 350 (N.J.S.A. 52:27D-311a et seq.) and the Barrier Free Subcode, N.J.A.C. 5:23-7, or evidence that the Borough has collected funds from the developer sufficient to make 10 percent of the adaptable entrances in the development accessible:

A. Where a unit has been constructed with an adaptable entrance, upon the request of a disabled person who is purchasing or will reside in the dwelling unit, an accessible entrance shall be installed.

B. To this end, the builder of restricted units shall deposit funds within the Borough of Allenhurst's affordable housing trust fund sufficient to install accessible entrances in 10 percent of the affordable units that have been constructed with adaptable entrances.

C. The funds deposited under paragraph (f.2.vi.B) herein, shall be used by the Borough for the sole purpose of making the adaptable entrance of any affordable unit accessible when requested to do so by a person with a disability who occupies or intends to occupy the unit and requires an accessible entrance.

D. The developer of the restricted units shall submit a design plan and cost estimate for the conversion from adaptable to accessible entrances to the Construction Official of the Borough of Allenhurst.

E. Once the Construction Official has determined that the design plan to convert the unit entrances from adaptable to accessible meet the requirements of the Barrier Free Subcode, N.J.A.C. 5:23-7, and that the cost estimate of such conversion is reasonable, payment shall be made to the Borough of Allenhurst's affordable housing trust fund in care of the Chief Financial Officer who shall ensure that the funds are deposited into the affordable housing trust fund and appropriately earmarked.

F. Full compliance with the foregoing provisions shall not be required where an entity can demonstrate that it is site impracticable to meet the requirements. Determinations of site impracticability shall be in compliance with the Barrier Free Subcode, N.J.A.C. 5:23-7.

g. Maximum Rents and Sales Prices. In conjunction with realistic market information, the following criteria shall be used in determining maximum rents and sale prices:

1. In establishing rents and sales prices of affordable housing units, the Administrative Agent shall follow the procedures set forth in UHAC, utilizing the most recently published regional weighted average of the uncapped Section 8 income limits published by HUD and the calculation procedures as approved by the Court and detailed herein.

Regional income units shall be established for the region that the Borough is located within (i.e., Region 4) based on the median income by household size, which shall be established by a regional weighted average of the uncapped Section 8 income limits published by HUD. To compute this regional income limit, the HUD determination of median county income for a family of four is multiplied by the estimated households within the county according to the most recent decennial Census. The resulting product for each county within the housing region is summed. The sum is divided by the estimated total households from the most recent decennial Census in the Borough's housing region. This quotient represents the regional weighted average of median income for a household of four. The income limit for a moderate-income unit for a household of four shall be 80 percent of the regional weighted average median income for a family of four. The income limit for a low-income unit for a household of four shall be 50 percent of the HUD determination of the regional weighted average median income for a family of four. The income limit for a very low income unit for a household of four shall be 30 percent of the regional weighted average median income for a family of four. These income limits shall be adjusted by household size based on multipliers used by HUD to adjust median income by household size. In no event shall the income limits be less than those for the previous year.

2. The maximum rent for restricted rental units within each affordable development shall be affordable to households earning no more than 60 percent of median income, and the average rent for restricted very-low, low- and moderate-income units shall be affordable to households earning no more than 52 percent of median income.

3. The developers and/or municipal sponsors of restricted rental units shall establish at least one rent for each bedroom type for both very-low, low-income and moderate-income units.

i. Very low-Income. At least 13 percent of all very-low, low- and moderate-income rental units shall be affordable to households earning no more than 30 percent of median income.

4. The maximum sales price of restricted ownership units within each affordable development shall be affordable to households earning no more than 70 percent of median income, and each affordable development must achieve an affordability average of 55 percent for restricted ownership units; in achieving this affordability average, moderate-income ownership units must be available for at least three different prices for each bedroom type, and low-income ownership units must be available for at least two different prices for each bedroom type.

5. In determining the initial sales prices and rents for compliance with the affordability average requirements for restricted units other than assisted living facilities, the following standards shall be met:

i. A studio or efficiency unit shall be affordable to a one-person

- household;
 - ii. A one-bedroom unit shall be affordable to a one and one-half person household;
 - iii. A two-bedroom unit shall be affordable to a three-person household;
 - iv. A three-bedroom unit shall be affordable to a four and one-half person household; and
 - v. A four-bedroom unit shall be affordable to a six-person household.
6. In determining the initial sales prices and rents for compliance with the affordability average requirements for restricted units in assisted living facilities and age-restricted developments, the following standards shall be met:
- i. A studio or efficiency unit shall be affordable to a one-person household;
 - ii. A one-bedroom unit shall be affordable to a one and one-half person household; and
 - iii. A two-bedroom unit shall be affordable to a two-person household or to two one-person households.
7. The initial purchase price for all restricted ownership units shall be calculated so that the monthly carrying cost of the unit, including principal and interest (based on a mortgage loan equal to 95 percent of the purchase price and the Federal Reserve H.15 rate of interest), taxes, homeowner and private mortgage insurance and condominium or homeowner association fees do not exceed 28 percent of the eligible monthly income of the appropriate size household as determined under N.J.A.C. 5:80-26.4, as may be amended and supplemented; provided, however, that the price shall be subject to the affordability average requirement of N.J.A.C. 5:80-26.3, as may be amended and supplemented.
8. The initial rent for a restricted rental unit shall be calculated so as not to exceed 30 percent of the eligible monthly income of the appropriate household size as determined under N.J.A.C. 5:80-26.4, as may be amended and supplemented; provided, however, that the rent shall be subject to the affordability average requirement of N.J.A.C. 5:80-26.3, as may be amended and supplemented.
9. The price of owner-occupied very-low, low- and moderate-income units may increase annually based on the percentage increase in the regional median income limit for each housing region. In no event shall the maximum resale price established by the administrative agent be lower than the last recorded purchase price.
10. The rent of very low-, low- and moderate-income units may be increased annually based on the percentage increase in the Housing Consumer Price Index for the United States. This increase shall not exceed 9 percent in any one year. Rent increases for units constructed pursuant to very-low, low- income housing tax credit regulations shall be indexed pursuant to the regulations governing low- income housing tax credits.
11. Tenant-paid utilities that are included in the utility allowance shall be so stated in the lease and shall be consistent with the utility allowance approved by DCA for its Section 8 program.

22-7 Condominium and Homeowners Association Fees

For any affordable housing unit that is part of a condominium association and/or homeowners association, the Master Deed shall reflect that the association fee assessed for each affordable housing unit shall be established at 100 percent of the market rate fee.

22-8 Affordable Unit Controls and Requirements

- a. Purpose. The requirements of this subsection apply to all developments that contain affordable housing units, including any currently unanticipated future developments that will provide very-low, low- and moderate- income housing units.
- b. Affirmative Marketing
 - 1. The Borough shall adopt by resolution an Affirmative Marketing Plan, subject to approval of the Superior Court, compliant with N.J.A.C. 5:80-26.15, as may be amended and supplemented.
 - 2. The affirmative marketing plan is a regional marketing strategy designed to attract buyers and/or renters of all majority and minority groups, regardless of race, creed, color, national origin, ancestry, marital or familial status, gender, affectional or sexual orientation, disability, age or number of children to housing units which are being marketed by a developer, sponsor or owner of affordable housing. The

affirmative marketing plan is also intended to target those potentially eligible persons who are least likely to apply for affordable units in that region. It is a continuing program that directs all marketing activities toward COAH Housing Region 4 and is required to be followed throughout the period of deed restriction.

3. The affirmative marketing plan shall provide a regional preference for all households that live and/or work in COAH Housing Region 4, comprised of Mercer, Monmouth and Ocean counties.

4. The municipality has the ultimate responsibility for adopting the affirmative marketing plan and for the proper administration of the affirmative marketing program, including initial sales and rentals and resales and rerentals. The Administrative Agent designated by the Borough shall assure the affirmative marketing of all affordable units is consistent with the affirmative marketing plan for the municipality.

5. In implementing the affirmative marketing plan, the Administrative Agent shall provide a list of counseling services to very-low, low- and moderate-income applicants on subjects such as budgeting, credit issues, mortgage qualification, rental lease requirements, and landlord/tenant law.

6. The affirmative marketing process for available affordable units shall begin at least 4 months (120 days) prior to the expected date of occupancy.

7. The costs of advertising and affirmative marketing of the affordable units shall be the responsibility of the developer, sponsor or owner, unless otherwise determined or agreed to by the Borough of Allenhurst.

8. Applications for affordable housing shall be available in several locations, including, at a minimum, the County Administration Building and/or the County Library for each county within the housing region; the municipal administration building and the municipal library in the municipality in which the units are located; and the developer's rental office. Applications shall be mailed to prospective applicants upon request.

9. In addition to other affirmative marketing strategies, the Administrative Agent shall provide specific notice of the availability of affordable housing units in Allenhurst Borough, and copies of the application forms, to the following entities: Fair Share Housing Center, the New Jersey State Conference of the NAACP, the Latino Action Network, STEPS, OCEAN, Inc., the Greater Red Bank, Asbury Park/Neptune, Bayshore, Greater Freehold, Greater Long Branch, and Trenton Branches of the NAACP, and the Supportive Housing Association.

10. The affirmative marketing plan shall include posting of all affordable units on the New Jersey Housing Resource Center ("HRC") website in accordance with applicable law. The Borough also agrees to require any other entities, including developers or persons or companies retained to do affirmative marketing, to comply with this Paragraph.

c. Occupancy Standards

1. In referring certified households to specific restricted units, to the extent feasible, and without causing an undue delay in occupying the unit, the Administrative Agent shall strive to:

- i. Provide an occupant for each bedroom;
- ii. Provide children of different sex with separate bedrooms;
- iii. Prevent more than 2 persons from occupying a single bedroom; and
- iv. Provide separate bedrooms for parents and children.

2. Additional provisions related to occupancy standards (if any) shall be provided in the municipal Operating Manual.

d. Selection of Occupants of Affordable Housing Units

1. The Administrative Agent shall use a random selection process to select occupants of very-low, low- and moderate- income housing.

2. A waiting list of all eligible candidates will be maintained in accordance with the provisions of N.J.A.C. 5:80-26.1 et seq.

e. Control Periods for Restricted Ownership Units and Enforcement Mechanisms

1. Control periods for restricted ownership units shall be in accordance with N.J.A.C. 5:80-26.5, as may be amended and supplemented, and each restricted ownership unit shall remain subject to the requirements of this ordinance for a period of at least thirty (30) years, until Allenhurst Borough takes action to release the unit from such requirements; prior to such action, a restricted ownership unit must remain subject to the requirements of N.J.A.C. 5:80-26.1, as may be amended and supplemented.

2. The affordability control period for a restricted ownership unit shall commence on the date the initial certified household takes title to the unit.

3. Prior to the issuance of the initial certificate of occupancy for a restricted ownership unit and upon each successive sale during the period of restricted ownership, the Administrative Agent shall determine the restricted price for the unit and shall also determine the non-restricted, fair market value of the unit based on either an appraisal or the unit's equalized assessed value without the restrictions in place.

4. At the time of the initial sale of the unit, the initial purchaser shall execute and deliver to the Administrative Agent a recapture note obligating the purchaser (as well as the purchaser's heirs, successors and assigns) to repay, upon the first non-exempt sale after the unit's release from the restrictions set forth in this ordinance, an amount equal to the difference between the unit's non-restricted fair market value and its restricted price, and the recapture note shall be secured by a recapture lien evidenced by a duly recorded mortgage on the unit.

5. The affordability controls set forth in this ordinance shall remain in effect despite the entry and enforcement of any judgment of foreclosure with respect to restricted ownership units.

6. A restricted ownership unit shall be required to obtain a Continuing Certificate of Occupancy or a certified statement from the Construction Official stating that the unit meets all Code standards upon the first transfer of title following the removal of the restrictions provided under N.J.A.C. 5:80-26.5(a), as may be amended and supplemented.

f. Price Restrictions for Restricted Ownership Units, Homeowner Association Fees and Resale Prices. Price restrictions for restricted ownership units shall be in accordance with N.J.A.C. 5:80-26.1, as may be amended and supplemented, including:

1. The initial purchase price for a restricted ownership unit shall be approved by the Administrative Agent.

2. The Administrative Agent shall approve all resale prices, in writing and in advance of the resale, to assure compliance with the foregoing standards.

3. The method used to determine the condominium association fee amounts and special assessments shall be indistinguishable between the very-low, low- and moderate-income unit owners and the market unit owners.

4. The owners of restricted ownership units may apply to the Administrative Agent to increase the maximum sales price for the unit on the basis of capital improvements. Eligible capital improvements shall be those that render the unit suitable for a larger household or the addition of a bathroom. In no event shall the maximum sales price of an improved housing unit exceed the limits of affordability for the larger household.

5. Upon the resale of a restricted ownership unit, all items of property that are permanently affixed to the unit or were included when the unit was initially restricted (for example, refrigerator, range, washer, dryer, dishwasher, wall-to-wall carpeting) shall be included in the maximum allowable resale price. Other items may be sold to the purchaser at a reasonable price that has been approved by the Administrative Agent at the time of the signing of the agreement to purchase. The purchase of central air conditioning installed subsequent to the initial sale of the unit and not included in the base price may be made a condition of the unit resale provided the price, which shall be subject to 10-year, straight-line depreciation, has been approved by the Administrative Agent. Unless otherwise approved by the Administrative Agent, the purchase of any property other than central air conditioning shall not be made a condition of the unit resale. The owner and the purchaser must personally certify at the time of closing that no unapproved transfer of funds for the purpose of selling and receiving property has taken place at the time of or as a condition of resale.

g. Buyer Income Eligibility

1. Buyer income eligibility for restricted ownership units shall be in accordance with N.J.A.C. 5:80-26.1, as may be amended and supplemented, such that low-income ownership units shall be reserved for households with a gross household income less than or equal to 50 percent of median income and moderate-income ownership units shall be reserved for households with a gross household income less than 80 percent of median income.

2. The Administrative Agent shall certify a household as eligible for a restricted ownership unit when the household is a low-income household or a moderate-

income household, as applicable to the unit, and the estimated monthly housing cost for the particular unit (including principal, interest, taxes, homeowner and private mortgage insurance and condominium or homeowner association fees, as applicable) does not exceed 33 percent of the household's certified monthly income.

3. Notwithstanding the foregoing, the Administrative Agent may, upon approval by the Borough, and subject to the Court's approval, permit a moderate-income purchaser to buy a low-income unit if and only if the Administrative Agent can demonstrate that there is an insufficient number of eligible low-income purchasers in the housing region to permit prompt occupancy of the unit and all other reasonable efforts to attract a low income purchaser, including pricing and financing incentives, have failed. Any such low-income unit that is sold to a moderate-income household shall retain the required pricing and pricing restrictions for a low-income unit.

4. A certified household that purchases a restricted ownership unit must occupy it as the certified household's principal residence and shall not lease the unit; provided, however, that the Administrative Agent may permit the owner of a restricted ownership unit, upon application and a showing of hardship, to lease the restricted unit to another certified household for a period not to exceed one year.

h. Limitations on Indebtedness Secured by Ownership Unit; Subordination

1. Prior to incurring any indebtedness to be secured by a restricted ownership unit, the administrative agent shall determine in writing that the proposed indebtedness complies with the provisions of this section, and the Administrative Agent shall issue such determination prior to the owner incurring such indebtedness.

2. - i. The household currently pays more than 35 percent (40 percent for households eligible for age-restricted units) of its gross household income for rent, and the proposed rent will reduce its housing costs;
- ii. The household has consistently paid more than 35 percent (40 percent for households eligible for age-restricted units) of eligible monthly income for rent in the past and has proven its ability to pay;
- iii. The household is currently in substandard or overcrowded living conditions;

 - iii. Notifying the municipality of an owner's intent to sell a restricted unit; and
 - iv. Making determinations on requests by owners of restricted units for hardship waivers.
 - 8. Enforcement, although the ultimate responsibility for retaining controls on the units rests with the municipality:

- 9. Preparation of monitoring reports for submission to the Municipal Housing Liaison in time to meet the Court-approved monitoring and reporting requirements in accordance with the deadlines set forth in this ordinance; and
- 10. The Administrative Agent shall, as delegated by the Borough, have the authority to take all actions necessary and appropriate to carry out its responsibilities, hereunder.
- d. Enforcement of Affordable Housing Regulations
 - 1. Upon the occurrence of a breach of any of the regulations governing the affordable unit by an Owner, Developer or Tenant, the municipality shall have all remedies provided at law or equity, including but not limited to foreclosure, tenant eviction, municipal fines, a requirement for household recertification, acceleration of all sums due under a mortgage, recoupment of any funds from a sale in the violation of the regulations, injunctive relief to prevent further violation of the regulations, entry on the premises, and specific performance.
 - 2. After providing written notice of a violation to an Owner, Developer or Tenant of a very-low, low- or moderate-income unit and advising the Owner, Developer or Tenant of the penalties for such violations, the municipality may take the following action against the Owner, Developer or Tenant for any violation that remains uncured for a period of 60 days after service of the written notice:
 - i. The municipality may file a court action pursuant to N.J.S.A. 2A:58-11 alleging a violation, or violations, of the regulations governing the affordable housing unit. If the Owner, Developer or Tenant is found by the court to have violated any provision of the regulations governing affordable housing units the Owner, Developer or Tenant shall be subject to one or more of the following penalties, at the discretion of the court:
 - A. A fine of not more than five hundred (\$500.00) dollars or imprisonment for a period not to exceed 90 days, or both. Each and every day that the violation continues or exists shall be considered a separate and specific violation of these provisions and not as a continuing offense;
 - B. In the case of an Owner who has rented his or her very-low, low- or moderate- income unit in violation of the regulations governing affordable housing units, payment into the Borough of Allenhurst Affordable Housing Trust Fund of the gross amount of rent illegally collected;
 - C. In the case of an Owner who has rented his or her very-low, low- or moderate- income unit in violation of the regulations governing affordable housing units, payment of an innocent tenant's reasonable relocation costs, as determined by the court.
 - ii. The municipality may file a court action in the Superior Court seeking a judgment, which would result in the termination of the Owner's equity or other interest in the unit, in the nature of a mortgage foreclosure. Any judgment shall be enforceable as if the same were a judgment of default of the First Purchase Money Mortgage and shall constitute a lien against the very-low, low- and moderate-income unit.
 - 3. Such judgment shall be enforceable, at the option of the municipality, by means of an execution sale by the Sheriff, at which time the very-low, low- and moderate-income unit of the violating Owner shall be sold at a sale price which is not less than the amount necessary to fully satisfy and pay off any First Purchase Money

Mortgage and prior liens and the costs of the enforcement proceedings incurred by the municipality, including attorney's fees. The violating Owner shall have the right to possession terminated as well as the title conveyed pursuant to the Sheriff's sale.

4. The proceeds of the Sheriff's sale shall first be applied to satisfy the First Purchase Money Mortgage lien and any prior liens upon the very-low, low- and moderate-income unit. The excess, if any, shall be applied to reimburse the municipality for any and all costs and expenses incurred in connection with either the court action resulting in the judgment of violation or the Sheriff's sale. In the event that the proceeds from the Sheriff's sale are insufficient to reimburse the municipality in full as aforesaid, the violating Owner shall be personally responsible for and to the extent of such deficiency, in addition to any and all costs incurred by the municipality in connection with collecting such deficiency. In the event that a surplus remains after satisfying all of the above, such surplus, if any, shall be placed in escrow by the municipality for the Owner and shall be held in such escrow for a maximum period of two years or until such earlier time as the Owner shall make a claim with the municipality for such. Failure of the Owner to claim such balance within the two-year period shall automatically result in a forfeiture of such balance to the municipality. Any interest accrued or earned on such balance while being held in escrow shall belong to and shall be paid to the municipality, whether such balance shall be paid to the Owner or forfeited to the municipality.

5. Foreclosure by the municipality due to violation of the regulations governing affordable housing units shall not extinguish the restrictions of the regulations governing affordable housing units as the same apply to the very-low, low- and moderate-income unit. Title shall be conveyed to the purchaser at the Sheriff's sale, subject to the restrictions and provisions of the regulations governing the affordable housing unit. The Owner determined to be in violation of the provisions of this plan and from whom title and possession were taken by means of the Sheriff's sale shall not be entitled to any right of redemption.

6. If there are no bidders at the Sheriff's sale, or if insufficient amounts are bid to satisfy the First Purchase Money Mortgage and any prior liens, the municipality may acquire title to the very-low, low- and moderate-income unit by satisfying the First Purchase Money Mortgage and any prior liens and crediting the violating owner with an amount equal to the difference between the First Purchase Money Mortgage and any prior liens and costs of the enforcement proceedings, including legal fees and the maximum resale price for which the very-low, low- and moderate-income unit could have been sold under the terms of the regulations governing affordable housing units. This excess shall be treated in the same manner as the excess which would have been realized from an actual sale as previously described.

7. Failure of the very-low, low- and moderate-income unit to be either sold at the Sheriff's sale or acquired by the municipality shall obligate the Owner to accept an offer to purchase from any qualified purchaser which may be referred to the Owner by the municipality, with such offer to purchase being equal to the maximum resale price of the very-low, low- and moderate-income unit as permitted by the regulations governing affordable housing units.

8. The Owner shall remain fully obligated, responsible and liable for complying with the terms and restrictions of governing affordable housing units until such time as title is conveyed from the Owner.

e. Appeals. Appeals from all decisions of an Administrative Agent designated pursuant to this section shall be filed in writing to the Borough.

Avakian, Inc. dated August 26, 2020, which is hereby made a part of this chapter. The Zoning Map referred to herein can be found on file at the office of the Borough Clerk.

III. D.: The existing Chapter 26-4.10 entitled "Multifamily Overlay District" is hereby deleted, to be replaced in its entirety by the following:

- 26-4.10 Main Street Commercial District Inclusionary Overlay Zone
- a. Purpose. The purpose of this section is to establish a Main Street Commercial District Inclusionary Overlay Zone (MS CD) that places an overlay zone over specific areas of the Borough. Given the built out nature of the Borough, an effective inclusionary housing overlay zone will produce affordable units when suitable opportunities become available through redevelopment or other planning mechanisms. This overlay zone would provide for inclusionary residential housing to be developed either over first floor commercial development along Main Street or completely as inclusionary residential development not fronting Main Street on tax lots included in the overlay zone. The specific areas included are the portions of the Borough that can realistically accommodate inclusionary housing development, which are in proximity to public transit and the Borough's main mixed use commercial thoroughfares.

The inclusionary overlay zone will regulate said developments through bulk and design standards. However, the Borough's underlying zoning will still be in effect. This will allow inclusionary affordable housing to be approved under local ordinance and regulations without detriment to the existing Borough zoning plan and ordinance. This creates a realistic opportunity to provide for the development of affordable housing in conformance with the requirements of the Court, the Fair Housing Act (N.J.S.A. 52:27D-301), the New Jersey Council on Affordable Housing ("COAH") prior round regulations, the Housing Element and Fair Share Plan of the Borough of Allenhurst prepared by the Borough to address its Prior Round and Third Round affordable housing obligation and the court-approved Settlement Agreement between the Borough and FSHC. Permitted and conditional uses within the MS-CD Inclusionary Overlay Zone shall include all permitted and conditional uses in the underlying zoning district in which the Overlay Zone is located and allow

for inclusionary housing development within the provisions of this section.

- b. Principal Permitted Uses:
 - 1. All uses permitted within the zoning districts underlying this overlay zone.
 - 2. Multi-family residential development for sale or for rent, as follows:
 - i. On upper floors above ground-floor commercial space (mixed use buildings) of properties that front on Main Street;
 - ii. On any floor of properties that do not front on Main Street.
- c. Permitted Accessory Uses: Uses that are customary and incidental to multi family housing, including, but not limited to:
 - 1. Parking
 - 2. Garages
 - 3. Signs
 - 4. Fences
 - 5. Trash Enclosure
 - 6. Temporary construction trailers
 - 7. Utility pump stations, transformers, switches and meter facilities to support the development
 - 8. HVAC units
 - 9. Generators
- d. Bulk regulations: For purposes of this Overlay District, for lots that abut Main Street and also abut any other intersecting street, Main Street shall be considered the front yard and any intersecting street shall be considered the side yard.

No.	Description	Measurement in Feet (unless noted otherwise)
1.	Minimum Lot Frontage (Feet)	50
2.	Minimum Lot Depth (Feet)	75
3.	Minimum Front Yard Setback (Feet)	0 feet, unless not facing Main Street, in which case setback shall be as per underlying zone requirements

- g. Area, Yard and Bulk Requirements for Accessory Structures (including parking) & Uses. No accessory structures shall be permitted in the front yard set back.

No.	Description	Measurement in Feet (unless noted otherwise)

All affordable housing developments shall conform to the standards found in the Borough of Allenhurst's Affordable Housing Ordinance including provisions for affordability, very low income units, and UHAC standards as modified per the Borough's FSHC Settlement Agreement.

PUBLIC COMMENTS

Arthur Neiss of Beattie Padovano, ATA Attorney, asked if there was a calendar for 2024 meeting dates currently available. The Borough Administrator advised that there is a regular meeting already scheduled and noticed for January 9, 2024. At that meeting the 2024 meeting schedule will be adopted.

David Krenkel, of Main Street, asked if there was going to be another public Planning Board Meeting regarding these items. The Borough Attorney advised that as the Planning Board will need to do a consistency review after the ordinance is reintroduced, there will be another public Planning Board meeting regarding these items.

Kamal Bahri, of Main Street, asked how all of this is going to impact his property, as he received a notice and had questions. The Borough Attorney advised that compliance with the settlement with Fair Share Housing Center required that the Borough create an overlay zone. The overlay zone is the area in which affordable housing can be built over commercial space. By statute, the Borough was required to notice all property owners within that zone, and within 200ft of that zone, regarding this required zoning change.

The Mayor asked the Borough Attorney to clarify how the overlay zone was determined. The Borough Attorney advised that overlay was not chosen by the Borough, it was required as part of the negotiated settlement with Fair Share Housing Center. As there will still be unmet need for affordable housing, it was required this overlay cover all commercial zones. It was not a choice of the Board of Commissioners, and the Borough did not pick the area.

There being no further business or comments, Mayor McLaughlin moved, seconded by Comm. Cumiskey that the meeting move to executive session at 7:40 PM. Motion carried.

After reconvening, Comm. McLoughlin moved, seconded by Mayor McLaughlin, that the meeting be adjourned at 8:20 PM. Motion carried.
