3.3 Effect and Duration of Covenants. It is intended and agreed that the covenants and restrictions set forth in Section 3.2 shall be covenants running with the land. All covenants in Section 3.2, in any event, and without regard to technical classification or designation, legal or otherwise, and except only as otherwise specifically provided in this Agreement, shall be binding, to the fullest extent permitted by law and equity, for the benefit and in favor of, and enforceable by the Borough and its successors and assigns, and any successor in interest to the Property, the Project, or any part thereof, against Redeveloper, its successors and assigns and every successor in interest therein, and any party in possession or occupancy of the Property or any part thereof. Notwithstanding the foregoing, the agreements and covenants set forth in Section 3.2 shall cease and terminate upon (1) termination of this Agreement prior to Commencement of Construction or (2) the issuance of a Certificate of Completion, provided, however, that the covenants in Section 3.2(c) shall remain in effect without limitation as to time.

3.4 Enforcement by Borough. In amplification, and not in restriction of the provisions of this Article 3, it is intended and agreed that the Borough and its successors and assigns shall be deemed beneficiaries of the agreements and covenants set forth in Section 3.2 both for and in their own right but also for the purposes of protecting the interests of the community and other parties, public or private, in whose favor or for whose benefit such agreements and covenants shall run in favor of the Borough for the entire period during which such agreements and covenants shall be in force and effect, without regard to whether the Borough has at any time been, remains, or is an owner of any land or interest therein to or in favor of which such agreements and covenants relate.

3.5 Prohibition Against Transfers of Interests in Redeveloper.

(a) *General Restrictions as to Transfers; ROFO.* Redeveloper recognizes that, in view of (i) the importance of the redevelopment to the general welfare of the community; (ii) the public assistance to be made available by law and by the Borough, on the conditions stated herein, for the purpose of making such redevelopment possible; and (iii) the fact that a change in ownership or Control of Redeveloper, or any other act or transaction involving or resulting in a change in ownership or Control of Redeveloper to the degree thereof, is for practical purposes a Transfer or disposition of the property interest then-owned by

Redeveloper, the qualifications and identity of Redeveloper and its principals are of particular concern to the Borough, no voluntary or involuntary successor-in-interest of Redeveloper shall acquire any interest in or rights or powers under this Agreement except as expressly set forth herein. In order to assist in the effectuation of the purpose of this Article 3.5, Redeveloper agrees that during the Development Period, Redeveloper shall, at such time or times as the Borough may request, but no more than once per year and upon any change, furnish the Borough with a complete statement subscribed and sworn to by the managing partner, managing member or other executive officer or member of Redeveloper, setting forth all of the partners, both general and limited, managing members, shareholders, or other owners of equity interests of Redeveloper, and the extent of their respective holdings, and in the event any other Parties have a beneficial interest in Redeveloper, their names and the extent of such interests. During the Development Period, consistent with N.J.S.A. 40A:12A-9, Redeveloper may not sell, lease, or otherwise convey the Property or the Project, or any part thereof, except in the case of a Permitted Transfer, without first obtaining the Borough's written consent, which consent will not be unreasonably withheld, conditioned, or delayed, provided, that, any application to the Borough for such written consent of such a transfer shall include documentation identifying the transferee's leadership team, the transferee's experience developing, constructing, owning and operating projects similar to the Project, and the transferee's financial capabilities to undertake and complete the Project, including evidence of transferee's ability to secure financing from one or more lenders in an amount sufficient to finance the Project, together with any other information reasonably requested by the Borough to reasonably demonstrate the proposed transferee's leadership, financial wherewithal, credentials, and qualifications to undertake the Project and assume the obligations imposed upon the Redeveloper in this Agreement. Recognizing that the Borough has a Right of First Offer on the West Side Property pursuant to the terms of the Settlement Agreement ("*ROFO*"), should Redeveloper seek Borough consent to transfer any portion of the West Side Property after the Borough issues an Offer Notice pursuant to the *ROFO* or the East Side Property and Redeveloper alleges that the Borough has unreasonably withheld consent requiring Redeveloper to file in Superior Court to obtain such consent to permit the transfer, then the prevailing party shall be entitled to attorney's fees.

(b) *Transfer in Membership Interest in Redeveloper.* Redeveloper may not sell, assign or otherwise transfer any membership interest in Redeveloper, except in the case of a Permitted Transfer, without first obtaining the Borough's written consent, which consent will not be unreasonably withheld, conditioned, or delayed, provided, that, any application to the Borough for consent of such a transfer shall include documentation identifying the transferee's leadership team, the transferee's experience developing, constructing, owning and operating projects similar to the Project, and the transferee's financial capabilities to undertake and complete the Project, including evidence of transferee's ability to secure financing from one or more lenders in an amount sufficient to finance the Project, together with any other information reasonably requested by the Borough to reasonably demonstrate the proposed transferee's leadership, financial wherewithal, credentials, and qualifications to undertake the Project and assume the obligations imposed upon the Redeveloper in this

Agreement. Should Redeveloper seek Borough consent to transfer any interest in the Redeveloper after the Borough issues an Offer Notice pursuant to the ROFO and Redeveloper alleges that the Borough has unreasonably withheld consent requiring Redeveloper to file in Superior Court to obtain such consent to permit the transfer, then the prevailing party shall be entitled to attorney's fees.

(c) *Consent to Permitted Transfers.* The Borough hereby consents, without the necessity of further approvals, to the following Transfers (each, a "*Permitted Transfer*"):

(i) a Mortgage or related security granted by Redeveloper to a Mortgagee for the purpose of obtaining the financing necessary to enable Redeveloper to perform its obligations under this Agreement, including any Mortgage or Mortgages and other liens and encumbrances granted by Redeveloper to a Mortgagee for the purpose of financing costs associated with the acquisition, development, construction, or marketing of the Project and not any transaction or project unrelated to the Project; provided, however, that Redeveloper shall give the Borough at least thirty (30) days prior written notice of such Permitted Transfer, including a description of the nature of such Transfer, and the name(s) and address(es) of the Mortgagee;

(ii) A transfer of membership or partnership interests in Redeveloper, such as for the infusion of equity capital or otherwise for, and only for, the purpose of obtaining the financing necessary to enable Redeveloper to perform its obligations under this Agreement with respect to completing the Project and any other purpose authorized by this Agreement, so long as those Members of Redeveloper set forth on Exhibit D remain in Control of Redeveloper;

(iii) transfers of easements or dedications of portions of interests in the Property as may be required for utilities for the Project or otherwise as conditions of Governmental Approvals, including but not limited to any sanitary sewer easement required by the Planning Board Approvals;

(iv) environmental covenants and restrictions imposed by a regulatory agency as a condition of any permit or approval;

(v) A lease of a building, unit, pad, parcel, section, subsection, Phase, that is part of the Property to any tenant for purposes of furthering the redevelopment contemplated by this Agreement;

(vi) Transfers to third-party tenants, such as leases, sub-leases, or ground leases;

(vii) Transfers to third-party purchasers (in the case of townhome and condominium units);

(viii) Transfers of any interests of less than 50% in the Redeveloper or transfers of any interests for estate planning purposes or pursuant to any testamentary document

or laws intestate provided that members of those holding beneficial interests in the Redeveloper or members of the same family or any entity controlled by those holding beneficial interests in the Redeveloper or members of the same family, remain, directly or indirectly, the Redeveloper's managing member;

(ix) a Transfer to an Affiliate of Redeveloper, including an urban renewal entity, to one of the Existing Members, or to an entity controlled by one or more of the Existing Members, including but not limited to any lease in compliance with the terms of the Financial Agreement; and

(x) a Transfer pursuant to a Foreclosure, and any Transfer by any Mortgagee or any Mortgagee's successor and/or assigns after Foreclosure.

(d) *Notice of Permitted Transfer.* With respect to any Permitted Transfer, except for those set forth in Section 3.5(c)(vi) and ~~-(vii)~~, Redeveloper shall provide to the Borough written notice at least thirty (30) days prior to such transfer or as soon as possible in the case of a transfer on account of death, including a description of the nature of such Transfer, and the name(s) and address(es) of the transferee and any parties, individuals and/or entities comprising such transferee. Redeveloper shall exercise commercially reasonable efforts with respect to the provisions of any documentation relating to the Permitted Transfer as the Borough may request. In the case of any Permitted Transfer, the Permitted Transferee will assume only those rights of Redeveloper under this Redevelopment Agreement as reasonably necessary in order to effectuate the purposes of this Redevelopment Agreement.

(e) *Borough Review of Requests for Transfer.* Except for Permitted Transfers, with respect to any Transfer that requires the Borough's consent pursuant to the terms of this Section 3.5, the Borough shall not unreasonably withhold, condition, or delay its consent to such Transfer. The Borough shall notify Redeveloper in writing whether the Borough consents to a Transfer within forty-five (45) days after Redeveloper's written request to the Borough for such consent.

(f) *Subsequent Conveyance.* Notwithstanding anything in this Agreement to the contrary, upon the issuance of a Certificate of Completion for the Project or a Phase of the Project, this Agreement shall terminate as to the Project or applicable Phase of the Project as set forth in Section 2.3, and the limitations or restrictions on transfers of the Project or Phase of the Project set forth in this Agreement shall no longer apply to the Project or such Phase of the Project, except for those covenants in the Declaration of Restrictions that expressly survive the issuance of the Certificate of Completion for such Phase pursuant to the terms of such Declaration of Restrictions.

Subject to the requirements of Applicable Laws and unless expressly provided otherwise in this Agreement, Redeveloper shall determine when and in what order to file each specific Application. If

Redeveloper determines that it (or any Permitted Transferee) will be unable to obtain all Governmental Approvals on a timely basis and diligently pursued or that any Governmental Approvals will contain conditions that are not acceptable to Redeveloper in its reasonable discretion, Redeveloper may terminate this Agreement on notice to the Borough.

(d) *Commencement of Construction.* Following the receipt of all Governmental Approvals required for Redeveloper to Commence Construction of the Project, Redeveloper will be responsible for all aspects of the clearing, grading, site preparation, and construction of the Project. The Borough will otherwise cooperate with and support Redeveloper (or any Permitted Transferee) in connection with the Applications for Governmental Approvals as Redeveloper (or any Permitted Transferee's) and Redeveloper's counsel may reasonably request and the Borough shall diligently defend any challenges to the Governmental Approvals (for example, if a third party files an action challenging a resolution of approval of the Borough's Planning Board), the Borough's adoption of the Redevelopment Plan, the Borough's designation of the Redevelopment Area as an "area in need of redevelopment," or the Borough's designation of Redeveloper as the "redeveloper" of the Property. The Borough further acknowledges that Redeveloper may proceed with the Project notwithstanding any pending third party challenges at Redeveloper's own risk.

4.3 Timeline and Construction Schedule.

(a) *Project Timeline.* Redeveloper shall use commercially reasonable best efforts to:

Redeveloper, in its discretion, may begin construction on any subsequent phase earlier than contemplated herein;

All deliveries must be scheduled during such permitted work hours.

(d) *Remediation and Associated Demolition.* Redeveloper may conduct any Remediation or associated demolition of the existing improvements on the Property without affecting the Construction Schedule set forth in Section 4.1. #### 4.5 Certificates of Occupancy and Certificates of Completion.

(a) Upon Completion of Construction of any Phase (or building or unit within such Phase), Redeveloper shall apply to the appropriate Borough construction code official for a Certificate of Occupancy for that Phase (or building or unit within such Phase) as to which construction is Complete. 4.9 Payment in Lieu of Taxes. The Redeveloper and Borough acknowledge that the Project consists of an inclusionary housing development to assist the Borough in meeting its constitutional obligation to provide very-low, low and moderate income housing. The Parties agree that to ensure that such inclusionary Project is a success, and upon satisfaction of all requirements of the Long Term Tax Exemption Law, N.J.S.A. 40A:20-1 *et seq.*, the Borough and one or more urban renewal entities, each an Affiliate of the Redeveloper, shall enter into one or more Financial Agreements providing for a payment in lieu of taxes (“*PILOT*”) for the Project. The Parties agree that the *PILOT* for each Phase of the Project shall be computed as follows: (a) for the East Side Project, ninety-five percent (95%) of otherwise applicable taxes to be imposed on the East Side Project; (b) for the West Side Project, ninety-five percent (95%) of otherwise applicable taxes to be imposed on the West Side Project; and (c) for the Lake Drive Project, six and two hundred eighty five thousandths percent (6.285%) of annual gross revenue generated by the Lake Drive Project. In addition, the Financial Agreement(s) shall provide for an exemption of the land underlying each Phase of the Project from conventional taxation. Each Party shall be responsible for its own attorney’s fees in connection with the negotiation and preparation of the Financial Agreement(s). There shall be no administrative fee charged by the Borough pursuant to the Financial Agreement(s). The urban renewal entities referenced herein shall each file an application for tax exemption pursuant to N.J.S.A. 40A:20-8 within 45 days of the Effective Date.

4.10 Agreement to Sell and Purchase Lake Drive. Subject to the terms and conditions herein, the Borough agrees to sell Lake Drive to the Redeveloper and the Redeveloper agrees to acquire Lake Drive from the Borough, in accordance with the provisions of this Agreement and on the additional terms and condition herein, and in an “AS IS WHERE IS WITH ALL FAULTS” condition, except as represented in Section 4.8(b) herein.

(a) Purchase Price and Payment of the Purchase Price. The purchase price for the Borough Parcels shall be One Dollar and 00/100 cents (\$1.00) (the “*Purchase Price*”). On the Closing Date, the Redeveloper agrees to pay, and the Borough agrees to accept, the Purchase Price, by certified or bank check or wire transfer of immediately available federal funds to an account or accounts designated in writing by the Borough.

(b) Time and Place of Closing. The Closing Date for Lake Drive shall occur within thirty (30) calendar days after the receipt of all Governmental Approvals for the Lake Drive Project. The Closing Date may be such earlier or later date as mutually agreed to by the Parties and memorialized in writing. The Closing shall be held at the offices of Birdsall, Laughlin & Clark, LLC, 1720 State Highway 34, Wall, New Jersey 07719, or such other place as the Parties may mutually agree. For avoidance of doubt, the Closing Date will not occur until Redeveloper obtains all Governmental Approvals necessary to commence construction on the Lake Drive Project.

(c) Transfer of Ownership and Title to Lake Drive.

(i) On the Closing Date, the Borough shall give to the Redeveloper a Deed for Lake Drive, and such other documentation as may reasonably be requested by the Title Company.

(ii) The Redeveloper will pay for all recording fees incidental to conveying title to Lake Drive to the Redeveloper. In the event the “mansion tax” is due by either the Redeveloper or the Borough, the payment of such tax shall be the Redeveloper’s obligation. Notwithstanding Redeveloper’s obligation to pay any realty transfer fees, the Borough shall cooperate with Redeveloper in seeking any exemption available under Applicable Laws.

(iii) Title for Lake Drive conveyed by the Borough to the Redeveloper shall be in fee simple title, and shall be conveyed free and clear of all judgments or similar monetary liens against the Borough; or, any encumbrances, restrictions, covenants, easements, and rights of any nature, that would unreasonably limit the use of Lake Drive for the Lake Drive Project, or effect fee simple title in the Borough (the “*Permitted Title Objection(s)*”) and shall be subject to all other matters of record identified in Redeveloper’s Title Commitment (as hereinafter defined) issued by Redeveloper’s Title Company (as herein defined) and not objected to in Redeveloper’s Title Review Letter (as hereinafter defined) as a Permitted Title Objection.

(iv) Redeveloper shall by the thirtieth (30th) day following the Effective Date (the “*Title Date*”) obtain from a title company of the State of New Jersey selected by Redeveloper, in Redeveloper’s discretion (the “*Title Company*”), at its sole cost and expense, a title commitment (“*Redeveloper’s Title Commitment*”), and may, at its option, obtain from a licensed land surveyor or registered civil engineer acceptable to Redeveloper a survey of Lake Drive (the “*Survey*”).

(v) On or before the date that is thirty (30) days following the Effective Date, Redeveloper shall deliver copies of Redeveloper’s Title Commitment and Survey (which may be by E-mail only) to the Borough and give specific written notice (the “*Title Review Letter*”) to the Borough of any Permitted Title Objection(s) disclosed in the Commitment and/or the Survey which are disapproved by Redeveloper. If Redeveloper disapproves of any Permitted Title Objection(s) shown in the Commitment and/or the Survey by delivering a timely Title Review Letter to the Borough, as provided above, the Borough shall have until the Closing Date to attempt to remove, satisfy or cure the same and such cure by the Borough shall be a condition precedent to Redeveloper’s obligation to consummate the transaction hereunder. If the Borough shall be unable to eliminate a Permitted Title Objection(s), despite its commercially reasonable efforts, or if the Title Company does not agree to insure over any such matter or matters within the aforesaid time period, Redeveloper may elect, by written notice to the Borough delivered on the date that is the earlier of (i) within ten (10) business days after the expiration of such 10-day period or (ii) ten (10) business days after Redeveloper’s receipt of the Borough’s Title Response, to either: (1) provide the Borough with additional time to cure the Permitted Title Objection(s); (2) waive such disapproval and to accept title to Lake Drive subject to such Permitted Title Objection(s) which the Borough shall be unable or unwilling to correct, provided that the Borough shall pay or satisfy all Liquidated Liens at the Closing Date; or (3) terminate this Agreement. In the event of such termination, this Agreement shall be null and void and the parties shall have no further liability or

obligation hereunder except as otherwise expressly provided herein, provided if such defect is a result of an uncured Borough default, Redeveloper shall be entitled to exercise its rights with regard to a Borough default under this Agreement.

(vi) All matters shown in the Commitment and/or on the Survey with respect to which Redeveloper fails to timely object to in its Title Review Letter on or before the last date for so doing, or with respect to which a timely Title Review Letter is given but the Borough is unable or unwilling to undertake an express obligation to cure as provided above and which Buyer waives, shall be deemed to be approved by Buyer as “Permitted Encumbrances”.

(vii) Any Permitted Title Objection(s) to Lake Drive first raised by the Title Company in an updated Commitment or by the surveyor in a revision to the Survey (“*New Permitted Title Objection(s)*”) shall be Permitted Encumbrances if, but only if, Redeveloper fails to object to the New Permitted Title Objection(s) by written notice given to the Borough within ten (10) business days after Redeveloper first receives the updated Commitment (and referenced exception documentation) or Survey and further provided that Redeveloper has not caused such New Permitted Title Objection(s). If Redeveloper timely objects to any New Permitted Title Objection(s), the foregoing Section 4.10(c)(v) shall apply with respect to such New Permitted Title Objection(s) as if they were raised in a timely filed Title Review Letter pursuant to Section 4.10(c)(v).

(d) Following the Effective Date of this Agreement, the Borough shall not further encumber or permit any further encumbrance to appear of record on Lake Drive. Lake Drive is being sold to the Redeveloper in “AS IS, WHERE IS, WITH ALL FAULTS” condition (except as provided for in Section 4.8(b) herein) and with all latent or patent defects, except as otherwise provided in this Agreement. At Closing, the Borough shall deliver possession of Lake Drive in the same condition as on the date of this Agreement, deterioration from ordinary and reasonable usage and exposure to the elements excepted. Following the Effective Date and for a period of 120 days, Redeveloper is permitted to enter Lake Drive in order to complete due diligence inspections (the “*Due Diligence Period*”). If during its due diligence inspections, Redeveloper is not satisfied with the condition of Lake Drive only to the extent that such condition would unreasonably limit the use of Lake Drive for the Lake Drive Project, Redeveloper may terminate this Agreement by sending a termination notice to Borough prior to the conclusion of the Due Diligence Period, stating the unacceptable condition would unreasonably limit the use of Lake Drive for the Lake Drive Project.

(e) Building and Zoning Laws. Lake Drive is being sold subject to the Redevelopment Plan and all other Applicable Laws.

(f) Deed Restriction. The Deed shall contain a deed restriction limiting the use of Lake Drive solely to provide for very low, low and moderate income affordable housing units. The deed restriction shall be provided to the Borough for its review for compliance with the terms of the Redevelopment Plan, the Settlement Agreement and this Agreement prior to and as a condition of Closing.

(g) Risk of Loss. Except with respect to the Redeveloper's activities and investigations, if any, the Borough is responsible for any damage or loss to Lake Drive, except for normal wear and tear, until the Closing.

(h) Brokerage Fees. The Parties represent that, concerning Lake Drive, neither Party has dealt with or transacted any business with any broker. Under no circumstances shall any brokerage fees be paid. Each party agrees to indemnify, defend, and hold the other harmless against any and all claims, damages, loss, cost or expense, including attorneys' fees, or other liability of any nature incurred by reason of the breach by such party of any warranty or representation contained in this provision. This 4.10(h) shall survive Closing or the termination of this Agreement.

(i) Non-Foreign Affidavit. The Borough shall provide to the Redeveloper at Closing an adequate non-foreign affidavit stating the inapplicability of 26 U.S.C. § 1445 to the sale of Lake Drive.

(j) Form 1099-B Filing. In compliance with the requirements of the Internal Revenue Code, the Redeveloper's attorney is responsible for collecting certain information from the Borough necessary to complete and file Form 1099-B with the Internal Revenue Service. The Borough agrees to supply all necessary information to the Redeveloper's attorney in order to facilitate such filing.

(k) Closing Prorations. The following adjustments are to be made at the Closing as of 12:00 midnight of the day preceding the Closing Date, as may be applicable: (i) water charges; (ii) sewer rents; (iii) gas; (iv) electric; (v) fuel (at the Borough's cost therefor); (vi) real estate taxes, if any; and (vii) any other items which shall be appropriate for adjustment under local closing standards and practices.

(l) Bulk Sales Law. The Parties hereto acknowledge that the provisions of the Bulk Sales Act may be applicable to the sale of Lake Drive by the Borough. The Redeveloper shall submit the required Notification of Sale, Transfer or Assignment in Bulk (Form C-9600) and all required attachments with the New Jersey Department of the Treasury, Division of Taxation, Bulk Sales Section not later than fifteen (15) Business Days prior to Closing. The Borough shall cooperate with the Redeveloper in connection with such submission by supplying any information necessary for the Redeveloper to file the required notice under the Bulk Sales Act. In the event that the New Jersey Division of Taxation requires the Redeveloper to hold funds in escrow for potential tax liabilities of the Borough, the Borough authorizes the Redeveloper to comply with such requirement. Redeveloper's counsel or agent shall hold such amount, in escrow, and is authorized to disburse same upon receipt of authorizations, and in accordance with directions, from the Division of Taxation. This paragraph shall survive the closing of title to Lake Drive.

(m) Casualty and Condemnation.

(i) If, prior to Closing, Lake Drive or any part thereof suffers a casualty, the Borough shall promptly notify the Redeveloper thereof. If, in the Redeveloper's reasonable judgment, such casualty materially interferes with the Redeveloper's ability to develop the Project, the Redeveloper shall have the option either to terminate this Agreement or to consummate the transaction contemplated by this Agreement notwithstanding such casualty. If the Redeveloper elects to consummate the transaction contemplated by this Agreement, the Redeveloper shall be entitled to receive the insurance and other proceeds associated with such casualty and the Borough shall, at Closing and thereafter, execute and deliver to the Redeveloper all required assignments of proceeds and other similar items. If the Redeveloper elects to terminate this Agreement, this Agreement shall, without further action of the Parties, become null and void and neither Party shall have any rights or obligations under this Agreement except for those rights and obligations that by their terms expressly survive termination of this Agreement.

(ii) If, prior to Closing, Lake Drive or any part thereof, shall be condemned or subject to a written threat of condemnation by a governmental body with eminent domain authority that exceeds the Borough, the Borough shall promptly notify the Redeveloper thereof. If, in the Redeveloper's reasonable judgment, such condemnation materially interferes with the Redeveloper's ability to develop the Project, the Redeveloper shall have the option either to terminate this Agreement or to consummate the transaction contemplated by this Agreement notwithstanding such condemnation. If the Redeveloper elects to consummate the transaction contemplated by this Agreement, the Redeveloper shall be entitled to receive the condemnation proceeds and the Borough shall, at Closing and thereafter, execute and deliver to the Redeveloper all required assignments of proceeds and other similar items. If the Redeveloper elects to terminate this Agreement, this Agreement shall, without further action of the Parties, become null and void and neither Party shall have any rights or obligations under this Agreement except for those rights and obligations that by their terms expressly survive termination of this Agreement.

(n) Conditions Precedent to Obligation of the Redeveloper to Purchase Lake Drive. The obligation of the Redeveloper to close title hereunder shall be subject to the fulfillment on or before the Closing Date of all the following conditions, any or all of which may be waived by the Redeveloper in its sole discretion:

(i) The Borough shall have delivered to the Redeveloper all of the items required to be delivered to the Redeveloper hereunder; and

(ii) All cellular equipment has been removed from the existing water tower and reinstalled on the Borough Retained Lots; and

(iii) The Redeveloper shall have obtained all unappealable Governmental Approvals necessary to commence construction on the Lake Drive Project; and

(iv) There shall be no litigation or other appeal or challenge relating to this Agreement or the Redevelopment Plan and the time for challenging same shall have expired.

(o) The Borough hereby makes the following representations and warranties regarding Lake Drive to the best of the Borough's knowledge, information and belief:

(i) All documents and instruments to be executed and delivered by the Borough in connection with this Agreement shall be legally enforceable, valid, and binding obligations of the Borough.

(ii) The Borough has marketable title to Lake Drive, and there are no encumbrances or lien against Lake Drive other than liens or encumbrances that shall be satisfied at or prior to Closing.

(iii) No third party has any rights of possession to Lake Drive. Other than this Agreement, Lake Drive is not subject to any outstanding agreement(s) of sale or options, rights of first refusal or other rights of purchase.

(iv) The Borough has not received written notice from any governmental or quasi-governmental agency or other body of any existing violations of, or non-compliance with, any federal, state, county or municipal laws, ordinances, orders, codes, regulations or requirements (including any zoning, building, fire, housing or health code requirements) affecting Lake Drive which have not been cured, including with respect to any environmental laws, and Seller has no knowledge of any such violations or non-compliance.

These representations and warranties shall survive Closing.

At such time as the Redeveloper has closed title to Lake Drive, the Borough shall be conclusively and irrevocably presumed to have satisfied all conditions precedent to the Closing of Lake Drive and shall have no further liability or obligations as to such conditions precedent.

## **ARTICLE 5 EVENTS OF DEFAULT; TERMINATION**

5.1 Events of Default. Any one or more of the following shall constitute an "Event of Default" hereunder, subject to Force Majeure Extension and tolling as provided elsewhere in this Agreement:

(a) If at any time Redeveloper shall:

(i) generally not pay its debts as such debts become due, within the meaning of such phrase under Title 11 of the United States Code (or any successor to such statute), or admit in writing that it is unable to pay its debts as such debts become due; or

(ii) make an assignment for the benefit of creditors; or

(iii) file a voluntary petition under Title 11 of the United States Code, as the same may be amended, or any successor to such statute; or

(iv) file any petition or answer seeking, consenting to or acquiescing in any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief under any present or future federal bankruptcy code or any other present or future applicable federal or state or other statute or law; or

(v) seek or consent to or acquiesce in the appointment of any custodian, trustee, receiver, sequestrator, liquidator or other similar official of Redeveloper or of all or any substantial part of its property or of the Project or any interest of Redeveloper therein; or

(vi) take any corporate action in furtherance of any action described in this subsection or

(vii) if at any time any proceeding against Redeveloper seeking any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief under any present or future applicable federal or state or other statute or law shall not be dismissed within ninety (90) days after the commencement thereof, or if, within ninety (90) days after the appointment without the consent of Redeveloper of any custodian, trustee, receiver, sequestrator, liquidator or any other similar official of Redeveloper, or of all or any substantial part of its properties or of the Project or any interest of Redeveloper therein, such appointment shall not have been vacated or stayed on appeal or otherwise, or if any such appointment shall not have been vacated within forty-five (45) days after the expiration of any such stay.

(b) Redeveloper's failure to pay or delinquency in the payment of real property taxes, if applicable, payments in lieu of taxes, or assessments, which failure or delinquency is not cured within thirty (30) days after Notice by the Borough.

(c) Cancellation or termination by reason of any act or omission of Redeveloper of any insurance policy, Performance Guarantee, or other surety required hereunder to be provided by Redeveloper for the benefit of the Borough, which failure or delinquency is not cured within thirty (30) days after Notice by the Borough.

(d) Any Transfer (except for Permitted Transfers), without the approval of the Borough.

(e) If Redeveloper fails to Commence Construction within the time frame specified in this Agreement (as same may be modified pursuant to the terms hereof and subject to Force Majeure Events).

(f) Subject to Force Majeure Events, if Redeveloper abandons the Project or substantially suspends work on the Project after the Commencement of Construction for a period of more than one hundred twenty (120) days and fails to recommence work within sixty (60) days after receipt by Redeveloper of a Notice of such failure, abandonment, or suspension; provided, however, that if the failure, abandonment, or suspension is one that cannot be completely cured within sixty (60) days after receipt of such notice, it shall not be an Event of Default as long as Redeveloper promptly undertakes actions to correct the

failure, abandonment or suspension upon its receipt of notice and is proceeding with due diligence to remedy same as soon as reasonably practicable.

(g) Any other material default or breach by Redeveloper or the Borough in the observance or performance of any material covenant, condition, representation, warranty or agreement hereunder and, except as otherwise specified below, the continuance of such default or breach for a period of thirty (30) days after Notice from the non-defaulting party specifying the nature of such default or breach and requesting that such default or breach be remedied; provided, however, with respect to any non-monetary default or breach, if the default or breach is one that cannot be completely remedied within thirty (30) days after such Notice, it shall not be an Event of Default as long as the defaulting party is proceeding in good faith and with due diligence to remedy the same as soon as practicable, but in no event later than one hundred and twenty (120) days after such Notice unless this Agreement specifically provides otherwise.

5.2 Remedies Upon Event of Default by Redeveloper. Whenever any Event of Default by Redeveloper occurs and continues beyond any applicable cure or grace period, the Borough may, on written notice to Redeveloper (after applicable Notice and cure periods shall have expired), terminate this Agreement and Redeveloper's designation as redeveloper hereunder upon which, except as expressly provided herein, this Agreement shall be void and of no further force and effect and neither Party shall have any further rights, liability and/or obligations hereunder.

5.3 Remedies Upon Event of Default by the Borough. Whenever any Event of Default by the Borough occurs and continues beyond any applicable cure or grace period, then Redeveloper may take whatever action at law or in equity as Redeveloper may deem necessary or desirable to enforce the performance or observance of any rights or remedies of Redeveloper, or any obligations, agreements, or covenants of the Borough under this Agreement, including an action for specific performance and/or actual, compensatory damages (but specifically excluding delay, reliance, consequential or punitive damages). Further, but subject to any cure provisions afforded the Borough hereunder, Redeveloper shall have the right, in its sole and absolute discretion, on written notice to the Borough (after applicable Notice and cure period shall have expired), to terminate this Agreement upon which, except as expressly provided for herein, this Agreement shall be void and of no further force and effect and neither Party shall have any farther rights, liabilities and/or obligations hereunder.

5.4 Force Majeure Extension. For the purposes of this Agreement, neither the Borough nor Redeveloper shall be considered in breach or in default with respect to its obligations hereunder because of a delay in performance arising from a Force Majeure Event. It is the purpose and intent of this provision that in the event of the occurrence of any such delay, the time or times for performance of the obligations of the Borough or Redeveloper shall be extended for the period of the delay; provided, however, that such delay is actually caused by or results from the Force Majeure Event. The time for completion of any specified obligation hereunder shall be tolled for a period of time up to but not exceeding the period of delay resulting from the occurrence of a Force Majeure Event. During any Force Majeure Event that affects only a portion of a Project, Redeveloper shall to the maximum extent feasible continue to perform its obligations for the

balance of the Project unaffected by the Force Majeure Event. The existence of an event or occurrence of Force Majeure Event shall not prevent the Borough or Redeveloper from declaring a default or the occurrence of an Event of Default by the other party if the event that is the basis of the Event of Default is not a result of the Force Majeure Event.

5.5 No Waiver. Except as otherwise expressly provided in this Agreement, any failure or delay by either Party hereunder in asserting any of its rights or remedies as to any default by the other Party, shall not operate as a waiver of such default, or of any such rights or remedies, or to deprive the Borough or Redeveloper, as the case may be, of its right to institute and maintain any actions or proceedings in accordance with this Agreement, which it may deem necessary to protect, assert or enforce any such rights or remedies.

5.6 Remedies Cumulative. No remedy conferred by any of the provisions of this Agreement is intended to be exclusive of any other remedy and each and every remedy shall be cumulative and shall be in addition to every other remedy given hereunder.

5.7 Termination Rights Related to Litigation. If third-party litigation is commenced challenging the validity of (i) the designation of the Redevelopment Area, (ii) the Redevelopment Plan, or (iii) execution of this Agreement by the Borough, the Borough shall diligently defend such litigation. The commencement of such litigation shall be a Force Majeure Event effective as of the date of the filing of the summons and complaint if Redeveloper invokes the Force Majeure provisions this Agreement; provided, however, that (a) Redeveloper may terminate this Agreement pursuant to Section 4.1 (c) hereof, and (b) if such litigation is finally determined in favor of the plaintiff with no further opportunity for appeal, then either Party may terminate this Agreement by written notice to the other. Upon such termination, this Agreement shall be void and of no further force and effect and neither Party hereto shall have any rights, liabilities and/or obligations hereunder.

## **ARTICLE 6 FINANCING**

### 6.1 Mortgage Financing.

(a) During the term of this Agreement, Redeveloper shall not engage in any financing or any other transaction creating any Mortgage on the Project other than with respect to the cost of acquiring the Property and developing the Project (including designing, permitting, and constructing the Project). Redeveloper shall have the option to obtain separate financing for any Phase of the Project.

(b) In the event that Redeveloper is unable to obtain financing for the Project, inclusive of all three Phases of such Project, on terms and conditions acceptable to Redeveloper in its sole discretion, or if Redeveloper determines that financing for the Project cannot be obtained on terms and conditions acceptable to Redeveloper in its sole discretion, and provided Redeveloper has not Commenced any Phase of the Project,

Redeveloper shall have the right to terminate this Agreement upon written notice to the Borough.

(c) If this Agreement is terminated pursuant to the terms of this Section 6.1, then, except as expressly set forth herein to the contrary, this Agreement (including, without limitation, all the covenants contained herein) shall be of no further force and effect and the Parties hereto shall have no further rights, liabilities and/or obligations hereunder.

(d) If the Mortgagee reasonably requires any change(s) or modification(s) to the terms of this Agreement, the Borough shall reasonably cooperate with the Mortgagee and Redeveloper in reviewing such proposed change(s) or modification(s) and shall consider them in good faith; provided, however, that any such proposed change or modification shall not materially and adversely alter or modify the rights and obligations of Redeveloper or the Borough, as provided in this Agreement.

(e) To the extent reasonably requested by Redeveloper, the Borough shall execute such other agreements and/or documents (to the extent same are in form and content reasonably acceptable to the Borough) as may be requested or required by any Mortgagee (or any equity participant of Redeveloper); provided, however, that any such agreement or document shall not materially and adversely alter any of the rights, liabilities or obligations of Redeveloper or the Borough under this Agreement.

6.2 Notice of Default to the Mortgagee and Right to Cure. Whenever the Borough shall deliver any notice or demand to Redeveloper with respect to any breach or default by Redeveloper under this Agreement, the Borough shall at the same time deliver to each Mortgagee a copy of such notice or demand; provided that Redeveloper has delivered to the Borough a written notice of the name and address of such Mortgagee. Each such Mortgagee (insofar as the rights of the Borough are concerned) has the right at its option within sixty (60) days after the receipt of such notice to cure or remedy, or to commence to cure or remedy, any such default which is subject to being cured and to add the cost thereof to the debt and the lien which it holds. The Borough shall not seek to enforce any of its remedies under this Agreement during the period in which any such Mortgagee is proceeding diligently and in good faith to cure a Redeveloper Event of Default. If the Mortgagee elects to cure the Event of Default within such 60-day period but has not completed such cure, then, not later than every sixty (60) days thereafter until such Event of Default is cured, Redeveloper shall inform the Borough that the Mortgagee is proceeding diligently to cure the Redevelopment Event of Default, and shall briefly describe the course of action being pursued to effectuate such cure. Notwithstanding the foregoing, the Borough may seek to enforce any of its remedies under this Agreement with respect to a monetary Event of Default if such monetary Event of Default is not cured within such sixty (60) day period after notice thereof. If possession of the Project is necessary to cure any default or breach, any Mortgagee will be allowed to complete any proceedings required to obtain possession of the Project. Notwithstanding anything contained herein to the contrary, the Borough shall retain at all times all statutory rights to enforce the payment of payments in lieu of taxes, sewer charges, property taxes, if applicable, and other municipal charges, including but not limited to those rights granted by the Tax Lien Law and/or the In Rem Foreclosure Act.

6.3 No Guarantee of Construction or Completion by Mortgagee.

(a) A Mortgagee shall in no manner be obligated by the provisions of this Agreement to construct or complete the Project or to guarantee such construction or completion; nor shall any covenant or any other provisions be construed so as to obligate a Mortgagee. Nothing contained in this Agreement shall be deemed to permit or authorize such Mortgagee to undertake or continue the construction or completion of the Project (beyond the extent necessary to conserve or protect the Mortgagee's security, including the improvements or construction already made) without the Mortgagee or Affiliate of Mortgagee first having expressly assumed Redeveloper's obligations to the Borough with respect to the Project by written agreement reasonably satisfactory to the Borough.

(b) If a Mortgagee forecloses its Mortgage secured by the Project, or takes title (in its name or the name of an Affiliate) to the Project by deed-in-lieu of foreclosure or similar transaction (collectively, a "*Foreclosure*"), the Mortgagee or its Affiliate shall have the option to either (i) sell the Project to any Person, provided Mortgagee gives the Borough notice of such sale at least thirty (30) days prior to closing and provided such Person assumes the obligations of Redeveloper under this Agreement in accordance with Applicable Law, and/or (ii) assume the obligations of Redeveloper under this Agreement in accordance with Applicable Law. The Mortgagee, or the entity assuming the obligations of Redeveloper, in that event must agree to complete the Project in accordance with the terms of this Agreement, but subject to reasonable extensions of any deadlines hereunder. Any such Mortgagee or other entity assuming such obligations of Redeveloper, upon completing the Project shall be entitled, upon written request made to the Borough, to a Certificate of Occupancy in accordance with the terms of this Agreement and under Applicable Laws. Nothing in this Agreement shall be construed or deemed to permit or to authorize any Mortgagee, or such other entity assuming such obligations of Redeveloper, to devote the Property, or any part thereof, to any uses, or to construct any improvements thereon, other than those uses or improvements provided for or authorized by this Agreement and the Redevelopment Plan. The Mortgagee or such other entity that assumes the obligations of Redeveloper shall be entitled to develop the Property or Project in accordance herewith.

6.4 Additional Lender Protective Provisions. Notwithstanding anything in this Agreement to the contrary:

(a) *Rights of Mortgagee.* Relevant financial institutions shall be entitled to the protection of N.J.S.A. 55:17-1, et. seq. providing for notification, right to cure, right to possession, right to assume control of mortgagor, right to enter into possession of and operate Redeveloper's Property (or the portion thereof in question), right to the entry of a judgment of strict foreclosure, right to recover on the underlying loan obligations without first proceeding with foreclosure, right to proceed to foreclosure, separately from or together with suit on the underlying obligations, and such other rights all as specifically provided in N.J.S.A. 55:17-8.

(b) *No Termination of Mortgage Default.* This Agreement shall continue in full force and effect beyond any default in or foreclosure of any mortgage loan made to finance the acquisition of the Property and/or the construction of the Project, as though such default or foreclosure had not occurred, subject to the provisions of N.J.S.A. 55:17-1, et. seq.

(c) *Attornment.* The Borough agrees to execute recognition and attornment documents that may reasonably be required by any lender and are reasonably acceptable to the Borough, and further to make any technical, non-substantive modifications to this Agreement that may be reasonably required for any financing. In the event the Borough shall fail to respond to Redeveloper's request within thirty (30) days of the date of said request, then such request shall be deemed as granted.

(d) *Notice to Mortgagee.* Whenever the Borough shall deliver any notice or demand to Redeveloper with respect to any Default or Event of Default by Redeveloper of its obligations or covenants under this Agreement, the Borough shall at the same time deliver a copy of such notice or demand to each holder of any mortgage at the last known address of such holder shown in the land records of Monmouth County or any other address provided to the Borough by such mortgage holder or Redeveloper. No such notice to Redeveloper shall be effective unless a copy is also sent to the holder the mortgage. No Default will become an Event of Default if the holder of any such mortgage shall undertake to cure such Default.

## **ARTICLE 7 MISCELLANEOUS**

7.1 No Consideration for Agreement. Redeveloper warrants it has not paid or given, and will not pay or give, any third person any money or other consideration for obtaining this Agreement, other than normal costs of conducting business and costs of professional services such as architects, engineers, financial consultants and attorneys. Redeveloper further warrants it has not paid or incurred any obligation to pay any officer or official of the Borough, any money or other consideration for or in connection with this Agreement.

7.2 Redeveloper's Rights. The Borough agrees it will not introduce any subsequent ordinances that impair the rights of the Redeveloper under this Agreement.

7.3 Non-Liability of Officials and Employees.

(a) No member, official or employee of the Borough shall be personally liable to Redeveloper, or any successor in interest, in the event of any default or breach by the Borough, or for any amount which may become due to Redeveloper or its successor, or on any obligation under the terms of this Agreement.

(b) No member, officer, shareholder, director, partner or employee of Redeveloper shall be personally liable to the Borough, or any successor in interest, in the

event of any default or breach by Redeveloper or for any amount which may become due to the Borough, or their successors, on any obligation under the terms of this Agreement.

7.4 Non-Liability of Officials and Employees of Redeveloper. Unless otherwise obligated hereunder as a guarantor, no member, officer, shareholder, director, partner or employee of Redeveloper or any Permitted Transferee, and no member, officer, shareholder, director, partner, or employee of the members or partners of Redeveloper or any Permitted Transferee shall be personally liable to the Borough, or any successor in interest, in the event of any Default or breach by Redeveloper or any Permitted Transferee, or for any amount which may become due to the Borough, or their successors, on any obligation under the terms of this Agreement.

7.5 Modification of Agreement. This Agreement represents the entire agreement by and between the Parties with respect to the redevelopment of Redeveloper's Property. No amendment to this Agreement shall be considered binding on either of the Parties unless such amendment is in writing and specifically recites that it is being entered into by and between the Parties with the specific intention to modify the terms of this Agreement. ## 5. DEVELOPER OBLIGATIONS

5.1 **ROFO.** The Developer agrees to grant the Borough a Right of First Offer ("**ROFO**") in the event Developer chooses to market the West Side Property for sale. The terms of the ROFO are as set forth below. Developer has no obligation to accept any Borough offer and after sixty (60) days or Developer's rejection of a Borough offer (which ever happens earlier), Developer can market the property to third-parties and solicit offers, subject to this ROFO. Unsolicited offers from third-parties prior to Developer marketing the Property and any sale of minority interest in the West Side Property are not subject to this provision, but any such purchaser of a minority interest shall be subject to this ROFO.

- i. Notice. Developer, prior to marketing for sale, assignment or other transfer of the West Side Property, (identified as Block 21, Lots 5 and 6 [which includes former Lot 7] located at 500 523 Main Street), shall deliver to the Borough a notice (the "**Marketing Notice**") of its intention to so market the West Side Property.
- ii. Right of First Offer. Within sixty (60) days of Developer providing the Marketing Notice, Borough may elect to make an offer in writing to Developer to purchase the West Side Property ("**Offer Notice**"), with failure to provide an Offer Notice within that time shall relieve Developer of any obligations under this ROFO.

Developer shall have sixty (60) days from receipt of the Offer Notice to accept or reject the Borough's offer. If Developer provides no response within sixty (60) days, the offer shall be deemed rejected. If Developer accepts the Borough's offer, then Developer and Borough shall proceed diligently and in good faith to negotiate a written contract of sale in accordance with the Offer Notice. However, nothing herein shall obligate Developer to enter into a written contract of sale with the Borough for the West Side Property.

**5.2 Obligation To File Development Applications.** The Developer will file development applications after adoption of the Revised Redevelopment Plan, which will be consistent with the Concept Plans, attached hereto as Exhibit "B." Notwithstanding the last sentence of Section 4.2 of this Agreement, nothing herein shall preclude the Developer from seeking reasonable bulk variances, waivers or de minimis exceptions as part of the development applications, which shall reasonably be considered by the Board as provided for in N.J.A.C. 5:93.10.1(b) and N.J.A.C. 5:97 10.3(b). It is understood that Developer's site plan application is permitted to include a phasing plan, which will be permitted to be developed in development phases (Phase 1, Phase 2, and Phase 3). Notwithstanding the Development Properties being permitted to be developed in Phases, for COAH Affordable Housing phasing purposes it will be viewed as a single development.

**5.3 Affordable Housing Requirements.** Developer shall satisfy the affordable housing obligation required in connection with the Overall Development by constructing twenty three (23) affordable family rental units on the Lake Drive Property for very low, low and moderate income households based upon a 20% set-aside for the Overall Development, but in no event shall there be less than 20 affordable units. These affordable units shall consist of four (4) one-bedroom units, fourteen (14) two-bedroom units and five (5) three-bedroom units as further broken down by income level in the chart below. The affordable units shall fully comply with the Uniform Housing Affordability Controls ("UHAC"), N.J.A.C. 5:80-26.1 et seq., with the sole exception that very low income shall be defined as at or below thirty percent (30%) of the median income. The affordability controls shall remain in effect unless and until the municipality elects to release the unit from such controls after at least thirty (30) years from the date of initial occupancy in accordance with UHAC. The affordable units shall be constructed in accordance with the phasing schedule as outlined in Section 3(i) of the Settlement Term Sheet attached as Exhibit "A."

Unit Distribution by Income Level-Family Affordable Rental Units				
Unit Type	Very-Low Income (30% or less RMI)	Low Income (30% to 50% RMI)	Moderate Income (50% to 80% RMI)	Total
1 bedroom	0	2	2	4
2 bedrooms	2	5	7	14
3 bedrooms	1	2	2	5
Total	3	9	11	23

- i. Developer agrees, in accordance with the above chart, that 13% of the total number of affordable units shall be affordable to very low income households earning thirty percent (30%) or less of the median income. Thus, in conjunction with UHAC's low/mod split requirements (very low income units are considered low income for the low/mod split determination), at least 13% of all affordable units shall be very low income, at least 37% shall be affordable to low income households, and up to 50% may be affordable to moderate income households.
- ii. The affordable units shall comply with the COAH and UHAC requirements for accessibility and adaptability.
- iii. The Developer should ensure that there will not be additional fees for the use of any amenities by the tenants of the affordable units. There shall be no off street parking charges for residents of the affordable units.
- iv. The Developer agrees to retain an experienced Administrative Agent to handle affirmative marketing, reviewing the deed restriction, establishing pricing, tenant income eligibility determination, and long term administration of the affordable units including monitoring per UHAC at N.J.A.C. 5:80 26.14. It is the obligation of the Developer to pay for all Administrative Agent costs including affirmative marketing efforts, etc. The selected Administrative Agent shall be identified for the affordable units no later than the compliance hearing in this matter.
- v. COAH at N.J.A.C. 5:93 11 and UHAC at N.J.A.C. 5:80 26.15 requires an affirmative marketing program for the affordable family rental units by an experienced administrative agent. Also, per a future agreement between the Borough and FSHC, additional housing advocacy groups must be noticed of all available affordable housing units. Per a 2020 law, Developers must advertise all affordable units on the NJ State's Housing Resource Center ("HRC") website in accordance with P.L. 2020, c.51.
- vi. As part of the affirmative marketing efforts, a regional preference for individuals or households that live or work in Region 4 (Mercer, Monmouth, Ocean counties) shall be implemented.
- vii. In the event the Borough purchases the West Side Property, the affordable housing set-aside shall still be based upon the Overall Development factoring in 62 residential condominiums on the West Side Property. In the event of the West Side Property Sale to the Borough, Developer shall reserve in escrow \$4.6 million in proceeds from the sale of the West Side to the Borough, with half of the \$4.6 million being released to Developer from escrow upon completion and C of O for half of the affordable units and the balance of the \$4.6 million in escrow being released upon completion and C of O for all of the affordable units. Further, in such an event, the COAH phasing schedule shall be modified in accordance with Section 3.i(v) of the Term Sheet.

**5.4 Obligation To Support Borough's Application for Approval of its HEFSP As May Be Amended.** As it pertains to the Borough's application for approval of its HEFSP as may be amended and provided the Borough has complied with its obligations herein and is not in default under this Agreement, Developer shall not object to the Borough's efforts to secure approval of its HEFSP as may be amended and shall support the Borough's request for the Court to approve the same at a Compliance Hearing, unless the HEFSP deprives Developer of any rights created hereunder, or unless the Borough undertakes any action to obstruct or impede Developer from securing such approvals as it needs to complete the Overall Development.

**5.5 Release.** Except for claims only seeking to enforce the terms of this Agreement, Developer does hereby, release, acquit, waive and forever discharge the Borough Defendants (including its current and former elected and appointed officials, agents, representatives, employees, officers, directors, parents, subsidiaries, affiliates, attorneys and independent contractors) from any and all actions, causes of action, damages, demands, rights, claims, costs, expenses, attorneys' fees and demands whatsoever, whether at law or in equity, known or unknown, foreseen or unforeseen, which Developer had, may have had or now has, concerning the Borough's overall affordable housing obligation, up to and including the Effective Date, including all claims, demands or actions that were raised or could have been raised in the Builder's Remedy Action. In addition, provided the Borough is not in default of the terms of this Agreement, Developer, and its principals, shall not bring any future Mount Laurel exclusionary zoning or builder's remedy lawsuit in connection with the Borough's Third Round affordable housing obligation against the Borough during the Third Round affordable housing cycle.

## **6. OBLIGATIONS OF THE BOROUGH DEFENDANTS**

**6.1 Dedication of Land.** As part of addressing the Borough's affordable housing obligation, the Borough will dedicate and contribute, in fee simple interest, a described portion of its Lake Drive Property to the Developer which shall be deed restricted for the development of Affordable Housing and upon which the Developer shall construct twenty three (23) rental residential units for very-low, low and moderate income households. Borough will prepare a survey and property description of the parcel to be donated to Developer and reflecting such portion of the current lot and block as will be reserved for Borough's ownership and use.

In consideration of the value of the land being dedicated and contributed, the Power Station shall be responsible for any and all costs related to the development of the land, including all costs for provision of necessary utilities for the project.

**6.2 The Revised Redevelopment Ordinance.** The Borough shall adopt the Revised Redevelopment Ordinance to effectuate the rezoning of the Development Properties as set forth in the Revised Redevelopment Plan in order to permit the Development consistent with the Concept Plans within the time specified in Section 4.3 above. For the avoidance of doubt, the term "Revised Redevelopment Ordinance" as defined herein and used throughout this Agreement shall encompass any such Borough ordinance(s) as are needed to adopt and effectuate the Revised Redevelopment Plan and the rezoning to permit the Development.

6.3 **Obligation To Cooperate.** The Borough acknowledges that in order for Developer to construct the Development on the Development Properties, the Developer will be required to obtain any and all approvals and permits from (1) entities, boards or agencies which have jurisdiction over the Parties to this Agreement and the Overall Development contemplated hereby, and from (2) all relevant public entities and utilities; such as, by way of example only, the Borough, the Board, the County of Monmouth, the Monmouth County Planning Board, the New Jersey Department of Environmental Protection, and the New Jersey Department of Transportation (collectively, "**Required Approvals**"). The Borough Defendants agree to cooperate with Developer in Developer's efforts to obtain the Required Approvals. Further, consistent with the FHA and COAH regulations, the Borough Defendants agree to use all reasonable efforts to assist the Developer in its undertakings to obtain the Required Approvals which includes taking all necessary and reasonable steps to support the Overall Development's efforts to obtain adequate water service from New Jersey American Water and sewer service from Township of Ocean Sewerage Authority, including expediting all municipal endorsements and approvals of the same. Nothing herein shall be deemed to require the Borough to incur any expense or cost whatsoever to build, erect, extend or otherwise develop any utility infrastructure.

6.4 **Obligation to Maintain Proposed Re-Zoning of Property.** The Borough agrees that if a decision of a court of competent jurisdiction in Monmouth County, or a determination by an administrative agency responsible for implementing the Fair Housing Act, or an action by the New Jersey Legislature, or any other act of any federal, state, county, municipal, or other governmental authority would result in a calculation of an affordable housing obligation for the Borough for the period 1987 2025 that would lower the Borough's affordable housing obligation beyond that established by COAH for the period 1987 1999 and/or the Court for the period 1999 2025, the Borough shall nonetheless implement the Revised Redevelopment Ordinance contemplated by this Agreement and take all steps necessary to support the completion of the Development contemplated by this Agreement. The Borough shall not seek to repeal, amend or change the Revised Redevelopment Plan for 10 years without Developer's written consent.

6.5 **Obligation to Refrain From Imposing Cost Generative Requirements.** The Development Properties shall be exempt from cost generative features of the Borough Code pursuant to N.J.A.C. 5:93 10.1, including, but not limited to, any tree removal ordinance or any impact fees. The Parties acknowledge that the Revised Redevelopment Ordinance has been designed to permit the Overall Development in accordance with the Concept Plans attached hereto. The Board agrees not to impose any unnecessary conditions that would be cost generative to the Overall Development and there shall be no affordable housing residential development fees charged to any part of the Development Properties as it is an inclusionary development.

6.6 **Settlement Term Sheet.** The Parties hereto agree that the statements contained in the Settlement Term Sheet developed by and between the Parties through extensive settlement negotiations and mediation be and are incorporated herein by reference. Said Settlement Term Sheet is attached hereto as Exhibit "A." The obligations of all Parties referenced in the Settlement Term Sheet are specifically made a part hereof.

6.7 **Ordinance Review.** After the Borough introduces the Revised Redevelopment Ordinance and refers the same to the Board for comment and a Master Plan consistency review, the Board shall expeditiously make such a determination consistent with the requirements of the Municipal Land Use Law and refer the Revised Redevelopment Ordinance back to the Borough for a hearing.

6.8 **Obligation to Adopt a Housing Element and Fair Share Plan.** Pursuant to the FHA and subsequent Mount Laurel I and Mount Laurel II decisions, a Housing Plan Element must be designed to address a municipality's fair share for very-low, low and moderate income housing, as determined by the Fair Share Housing Center. The Board is vested with the responsibility to prepare a HEFSP to address the Borough's affordable housing obligations and to recommend zoning and land use regulations in furtherance and implementation thereof. The Board shall prepare and adopt, as an amendment to the Borough's HEFSP, and to the extent necessary the Master Plan, such resolutions as are necessary in order to include the Development Properties within the Borough's HEFSP (and if necessary the Master Plan) to address the Borough's constitutional obligation to provide a realistic opportunity for the satisfaction of the Borough's Second Round and Third Round Fair Share Obligation.

6.9 **Obligation to Process Developer's Development Applications with Reasonable Diligence.** The Board shall expedite the review of any development and zoning applications filed by the Developer following Court approval of this Agreement (including granting reasonable checklist waivers). In the event of any appeal of the Court approval of this Agreement, the Board shall review and take action on any applications filed by Developer for the Overall Development. The Board's decisions on such applications may be conditioned upon the outcome of any pending appeal. If Developer's development application cannot be scheduled for the next regularly scheduled meeting or if regularly scheduled meetings are cancelled, upon request from the Developer, the Board shall schedule special meetings to process Developer's application(s) at no cost to Developer. Notwithstanding the last sentence of Section 4.2 of this Agreement, the Board shall reasonably consider any bulk variances, waivers or de minimis exceptions sought as part of the development applications. Nothing herein eliminates the Developer's obligations to comply with the Planning Board's filing fees and escrow fees relative to its application for review.

6.10 **Escrow.** The Borough agrees to waive any unpaid escrow balance of Developer in connection with the Developer Properties as of the date of this Agreement and the Borough shall not charge any additional escrow in connection with its obligations under this Agreement. Nothing herein eliminates the Developer's obligations to comply with the Planning Board's filing fees and escrow fees relative to its site plan application in accordance with the Borough Ordinance.

6.11. **Borough Construction Moratorium Ordinance.** The Borough Defendants agree to a modified application to the Construction Moratorium Ordinance such that Developer (and its contractors) will be permitted to perform work associated with the Project during the Moratorium Period (July 1 through Labor Day) between the hours of 8 am and 5 pm, Monday through Friday, with no work on Saturdays, Sundays and Federal Holidays. All deliveries must be scheduled during the permitted work hours.

## 7. MUTUAL OBLIGATIONS

7.1 **Redeveloper Agreement.** Developer and the Borough agree to enter good faith negotiations for the execution of a Redeveloper Agreement consistent with the Revised Redevelopment Plan ("**Redeveloper Agreement**"). The Redeveloper Agreement shall designate the Developer as the official Redeveloper of the Development Properties pursuant to the Local Redevelopment and Housing Law, N.J.S.A. 40A:12A-1 et seq. The Parties agree to prepare a final draft of the Redeveloper Agreement prior to the Fairness Hearing. Each Party shall be responsible for its own attorney's fees in connection with the negotiation and preparation of the Redeveloper Agreement.

7.2 **PILOT.** Developer and the Borough agree to enter good faith negotiations for the execution of a payment-in-lieu-of-taxes ("**PILOT**") agreement for the Development. The Parties agree that such PILOT(s) will provide for the following: (a) payments under the PILOT for the East Side Property shall be equivalent to ninety-five percent (95%) of the conventional taxes that would otherwise be imposed on the East Side Property; (b) payments under the PILOT for the West Side Property shall be equivalent to ninety-five percent (95%) of the conventional taxes that would otherwise be imposed on the West Side Property; and (c) payments under the PILOT for the Lake Drive Property shall be equivalent to six and two hundred eighty five thousandths percent (6.285%) of gross rental income generated by the affordable housing units on the Lake Drive Property. Each Party shall be responsible for its own attorney's fees in connection with the negotiation and preparation of the PILOT(s). There shall be no administrative fee charged by the Borough in connection with the PILOT(s).

7.3 **Communications Tower.** The Borough will be reserving unto itself a portion of the lot and block referred to as the Lake Drive Property on which it will see that a communications tower will be erected ("**Communications Tower**"). The Developer and Borough shall work together, in consultation with the special master if needed, to identify an appropriate location agreeable to both the Borough and Developer so as not to interfere with the affordable housing development on the Lake Drive Property. The Developer agrees that it will not object to the construction of a monopole Communications Tower on that portion of the Lake Drive Property that shall remain owned by the Borough.

7.4 **Water Tower.** The Lake Drive Property to be contributed and dedicated, in fee simple interest, by the Borough to the Developer shall be "as is where is", inclusive of the existing Water Tower. Ownership of the long inoperative Water Tower shall transfer to the Developer with the dedication and contribution of the Lake Drive Property. It shall be Developer's obligation to remove the Water Tower at Developer's sole case and expense. The Developer recognizes that the Water Tower must be removed prior to construction of the affordable units on the Lake Drive Property, which includes, but is not limited to, any site work. In accepting the contribution and dedication of the land, Developer acknowledges that removal of the Water Tower is its responsibility and shall not seek anything from the Borough Defendants relating to the costs of removal. The Borough represents that the Water Tower is not operational and no approvals, consents or notices are required with the utility company.

**8. MISCELLANEOUS**

8.1 **Necessity of Required Approvals.** The Parties recognize that the site plans required to implement the Development, and such other actions as may be required of the Board or Borough under this Agreement, cannot be approved except in accordance with the procedures established by

law. Nothing in this Agreement is intended to constrain that judgment or to authorize any action not taken in accordance with procedures established by law, it being understood that any such action shall be in accordance with procedures established by law. For the avoidance of doubt, however, by the terms of this Agreement the Borough Defendants agree that the Development as detailed in the Concept Plan conforms to the Revised Redevelopment Plan and the Revised Redevelopment Ordinance and the new zoning to be effectuated thereby. The Parties acknowledge that the Borough and Board professionals have reviewed the Revised Redevelopment Plan and confirmed that the Concept Plan are fully conforming without the need for variance or design waiver relief. Notwithstanding the immediately preceding sentence or anything contained herein, the Developer shall have the right to seek and obtain any such variances, waivers, exceptions, or other relief as may be necessary to secure site plan approval and complete the Development. The Board specifically agrees to grant such relief from the Residential Site Improvement Standards parking requirements, N.J.A.C. 5:21-1.1 et seq., as Developer may require in order to develop twenty-three (23) affordable housing units on the Lake Drive Property.

**8.2 Default.** In the event that any of the Parties shall fail to perform any material obligation on its part to be performed pursuant to the terms and conditions of this Agreement, unless such obligation is waived in writing by all of the other Parties for whose benefit such obligation is intended, such failure to perform shall constitute a default of this Agreement. Upon the occurrence of any default, the non defaulting Party shall provide notice of the default and the defaulting Party shall have a reasonable opportunity to cure the default within forty five (45) days or such other reasonable period of time as may be appropriate if of the nature that cannot be cured within 45 days. In the event the defaulting Party fails to cure within forty five (45) days or such reasonable period of time as may be appropriate, the Party(ies) for whose benefit such obligation is intended shall be entitled to exercise any and all rights and remedies that may be available in equity or under the laws of the State of New Jersey, including the right of specific performance to the extent available. With respect to any uncured default by the Borough with respect to its obligations to adopt the Revised Redevelopment Plan, approve the PILOT and enter into the necessary agreements for the Development (e.g., PILOT, Redevelopers Agreement, etc.), Developer may immediately file a motion to the court to enforce litigant's rights, and if successful, Developer shall be entitled to reasonable attorney and professional fees. With respect to any uncured default by the Planning Board in performing its obligations, including, but not limited to granting site plan approval for the Development with any reasonable variances, if Developer may immediately file a motion to the court to enforce litigant's rights, and if successful on such a motion, Developer shall be entitled to reasonable attorneys fees and professionals fees in connection with site plan application.

**8.3 Severability.** It is intended that the material provisions of this Agreement *are not severable*. If any material provision of this Agreement shall be fully adjudged by a court (including all appeals) to be invalid, illegal or unenforceable in any respect, the entire Agreement becomes invalid, illegal or unenforceable and the Parties shall be returned to their respective positions whereby Developer may prosecute its builder's remedy claim in this case.

**8.4 Successors Bound.** The provisions of this Agreement shall run with the land, and the obligations and benefits hereunder shall be binding upon and inure to the benefit of the Parties, their successors, affiliates and assigns, including any person, corporation, partnership or other legal entity

which at any particular time may have a fee title interest in the Development Properties which is the subject of this Agreement. This Agreement may be enforced by any of the Parties, and their successors, affiliates and assigns.

8.5 **Disclaimer of Liability.** It is understood and agreed that this is a compromise and settlement of disputed claims, and that nothing in this Agreement shall be construed as an admission of liability on the part of the Parties, or any of the Parties' current or former elected and appointed officials, agents, representatives, employees, officers, directors, parents, subsidiaries, affiliates, attorneys and independent contractors, all of whom expressly deny any such liability.

8.6 **Governing Law.** This Agreement shall be governed by and construed by the laws of the State of New Jersey.

8.7 **No Modification.** This Agreement may not be modified, amended or altered in any way except by a writing signed by each of the Parties or, in the event of a partial assignment, signed by the assignee whose rights and obligations are affected by such modification, amendment, or alteration.

8.8 **Effect of Counterparts.** This Agreement may be executed simultaneously in one (1) or more facsimile or PDF counterparts, each of which shall be deemed an original. Any facsimile or PDF counterpart forthwith shall be supplemented by the delivery of an original counterpart pursuant to the terms for notice set forth in this Agreement.

8.9 **Voluntary Agreement.** The Parties acknowledge that each has entered into this Agreement on its own volition without coercion or duress after consulting with its counsel, that each party is the proper person and possesses the authority to sign the Agreement, that this Agreement contains the entire understanding of the Parties and that there are no representations, warranties, covenants or undertakings other than those expressly set forth in this Agreement.

8.10 **Interpretation.** Each of the Parties hereto acknowledges that this Agreement was not drafted by any one of the Parties, but was drafted, negotiated and reviewed by all Parties, and, therefore, the presumption of resolving ambiguities against the drafter shall not apply. Each of the Parties expressly represents to the other Parties that: (a) it has been represented by counsel in connection with negotiating the terms of this Agreement; and (b) it has conferred due authority for execution of this Agreement upon the person(s) executing it.

8.11 **Schedules.** Any and all Exhibits and Schedules annexed to this Agreement are hereby made a part of this Agreement by this reference thereto. Any and all Exhibits and Schedules now and/or in the future are hereby made or will be made a part of this Agreement with prior written approval of all Parties.

8.12 **Entire Agreement.** This Agreement constitutes the entire agreement between the Parties hereto and supersedes all prior oral and written agreements between the Parties with respect to the subject matter hereof except as otherwise provided.

8.13 **Effective Date.** The effective date ("**Effective Date**") of this Agreement shall be the date upon which the last of the Parties to execute this Agreement has executed and delivered this Agreement, subject to the Court approving this agreement following a duly noticed Fairness Hearing.

8.14 **Waiver.** The Parties agree that this Agreement is enforceable. Each of the Parties waives all rights to challenge the validity or the ability to enforce this Agreement. Failure to enforce any of the provisions of this Agreement by any of the Parties shall not be construed as a waiver of these or other provisions.

8.15 **Captions.** The captions and titles to this Agreement and the several sections and subsections are inserted for purposes of convenience of reference only and are in no way to be construed as limiting or modifying the scope and intent of the various provisions of this Agreement.

8.16 **Construction, Resolution of Disputes.** Jurisdiction of any litigation ensuing with regard to this Agreement exclusively shall be in the Superior Court of New Jersey, with venue in Monmouth County. Service of any complaint may be affected consistent with the terms hereof for the delivery of "Notices," hereinafter defined. The Parties waive formal service of process. The Parties expressly waive trial by jury in any such litigation.

8.17 **Conflicts.** The Parties acknowledge that this Agreement cannot be affected by any contradictory amendments to the Borough's Fair Share Plan or zoning ordinances, and this Agreement shall control with respect to those matters as applied to the Development Properties.

8.18 **Transferability.** Developer shall have the right to transfer the development rights bestowed upon it in this Agreement to another developer, subject however to prior written approval by the Borough, which shall not be unreasonably withheld or delayed. Failure to provide consent upon request may be addressed via a motion to enforce litigant's rights with the prevailing party entitled to attorney's fees. The Borough shall also be liable for any damages suffered by Developer for any consent unreasonably withheld or delayed. This provision shall also be included in the Redeveloper's Agreement(s).

**ORDERED:**

1. The Affordable Housing Settlement Agreement by and between Power Station at Allenhurst, LLC and the Borough of Allenhurst, Board of Commissioners of the Borough of Allenhurst and the Borough of Allenhurst Planning Board dated February 23, 2023 is fair, reasonable, and adequately protects the interests of very low, low, and moderate-income households, and the Court hereby approves the Affordable Housing Settlement Agreement.
2. The Settlement Agreement between Fair Share Housing Center and the Borough of Allenhurst and Board of Commissioners of the Borough of Allenhurst dated May 10, 2023 is fair, reasonable, and adequately protects the interests of very low, low, and moderate-income households, and the Court hereby approves the Fair Share Settlement Agreement.
3. The Court finds that the inclusionary project of 28 townhomes on the East Side Property, sixty-two (62) market rate condominium units on the West Side Property and twenty three (23) rental residential units dedicated for low and moderate income households on the Lake Drive Property as set forth in the Affordable Housing Settlement Agreement between the Borough and the Developer is facially constitutional compliant and provides a fair and reasonable opportunity for the Borough

to partially meet its obligation under Mt. Laurel IV subject to the Borough's compliance with the conditions set forth herein and the Settlement Agreements.

4. The Court preliminarily finds that the Borough's proposed affordable housing strategy as set forth in the Fair Share Settlement Agreement is facially constitutional compliant and provides a fair and reasonable opportunity for the Borough to meet its cumulative affordable housing obligation under Mt. Laurel IV subject to the Borough's compliance with the conditions set forth herein and in the Court Master Report.
5. In conformance with the Fair Share Settlement Agreement, the Borough's Rehabilitation Obligation is 4 units; the Borough Prior Round (1987-1999) Obligation is 50 units; and the Borough's Third Round (1999-2025) Gap and Prospective Need obligation is 44 units. The Court hereby preliminarily approves the Borough's Vacant Land Inventory as established in the Settlement Agreement with Fair Share Housing Center and finds that the Borough's Realistic Development Potential for the Prior Round and Third Round is twenty-seven (27) units with a remaining unmet need of 67 units. The Borough will address its 27-unit RDP with thirty (30) total credits and rental bonuses generated by the Power Station Inclusionary Development including 23 credits for 23 family affordable rental units and the maximum of seven (7) rental bonuses provided by the firm commitment for family affordable rentals per the Affordable Housing Settlement Agreement between the Borough and Developer. The Borough may apply three (3) surplus credits from the thirty (30) total credits and rental bonuses generated by the Power Station Inclusionary Development towards its unmet need obligation.
6. The Borough shall address its Rehabilitation Obligation of 4 units through participating in the Monmouth County Housing Improvement Program administered by the

Monmouth County Development Block Grant program.

7. The Borough shall address its combined Prior Round/Third Round RDP of 27 units through the adoption of an Amended Redevelopment Plan in accordance with the Affordable Housing Settlement Agreement between Allenhurst and Developer. The Borough shall rezone Block 18, Lot 1 located at 315 Hume Street ("East Side Property"), Block 21, Lots 5 and 6 located at 500-523 Main Street ("West Side Property") owned by Developer, and a portion of the municipally-owned Block 31, Lot 3, otherwise known as the Lake Drive Property to create a realistic opportunity for the construction of twenty-three (23) family affordable rental units on the Lake Drive Property based upon a twenty percent (20%) set-aside of the required affordable housing obligation associated with the 113-unit Power Station Inclusionary Development.
8. The Borough shall address its remaining combined Prior Round and Third Round Gap and Prospective Need unmet need balance of 64 units (67 unmet need - 3 RDP surplus credits) as follows:
  - a. Main Street Commercial District Overlay Inclusionary Zoning: Allenhurst shall adopt overlay inclusionary zoning over the Southern Gateway District, known as Block 21, Lots 8, 9, 10, 11, 12, 13, Block 19, Lots 1 and 2, and also along the Main Street commercial corridor including all remaining parcels in the C-1 Commercial zone, C-2 Main Street Redevelopment Area (with the exception of the Power Station Inclusionary Development parcels including the East Side Property at Block 18, Lot 1 and the West Side Property at Block 21, Lots 5 and 6 which includes former Lot 7) and all parcels in the C-3 Commercial zone, the B-1 Business Office zone, and the B-2 Business Office zone to create a realistic opportunity for the development of affordable housing in accordance with Exhibit P-5A. This order modifies the reference in the Fair Share Settlement Agreement of the inclusion of Block 21, Lot 19 (does not exist) in the Southern Gateway District to instead correctly read Block 21, Lot 10 as listed above. The overlay inclusionary zone along Main Street shall permit multifamily housing up to two stories over ground floor commercial, as well as three-story multifamily apartments in certain locations not fronting Main Street, such as at Block 19, Lot 2, all with a mandatory twenty percent (20%) set-aside for

affordable housing. The bulk standards in this overlay shall permit shared parking ratios and otherwise accommodate a maximum density of fifteen (15) units per acre.

- b. Mandatory Borough-Wide Affordable Housing Set-aside Ordinance: Allenhurst shall adopt an ordinance requiring a mandatory affordable housing set aside for all new multifamily residential development of five (5) units or more at a density of six (6) or more units per acre, created through: a municipal rezoning permitting multifamily residential housing; use variance; a density variance increasing the permissible density at the site; or a redevelopment plan or a rehabilitation plan. The set aside for affordable housing shall be twenty percent (20%).
  - c. Affordable Housing Development Fee Ordinance: Allenhurst shall implement an approved Development Fee Ordinance for all new non-residential development and new non-inclusionary residential development. The Ordinance shall provide for the Borough's collection of residential fees for all residential expansions that increase said residential square footage by the creation of a new bedroom.
9. The Borough shall take all necessary action to prepare, adopt and endorse a Housing Element and Fair Share Plan within one hundred twenty days (120) days of the date of this Order. The Borough shall take all necessary action to rezone the East Side Property, West Side Property and Lake Drive property via a redevelopment plan under the auspices of the Local Redevelopment and Housing Law within 90 days of entry of this Order pursuant to the Affordable Housing Settlement Agreement. The Borough shall also adopt the Main Street Commercial District Overlay Inclusionary Zoning, Mandatory Borough-Wide Affordable Housing Set-aside Ordinance, Development Fee Ordinance, Spending Plan, Affirmative Marketing Plan and will also satisfy the other conditions listed in the Court Master Report within one hundred twenty days (120) days of the date of this Order. The Borough shall submit the adopted and endorsed Housing Element and Fair Share Plan along with all other documentation set forth in both Settlement Agreements and the Court Master Report to the Court Master and interested parties

for final review and recommendation by the Court Master, and for consideration and approval by the Court.

10. The parties shall abide by all terms and conditions in the Settlement Agreements if those terms are referenced as if fully set forth at length herein.
11. The Court will conduct a Final Compliance Hearing for the Court to consider approval of the Borough's Housing Element and Fair Share Plan and its compliance with the terms and conditions of the Settlement Agreements and the Special Master's Report for the purposes of issuing a Judgment of Compliance and Repose on January 12, 2024 at 9:00 a.m. which will last through July 8, 2025. After such Final Compliance Hearing, a Final Judgment of Compliance and Repose may be issued without further hearing should the Court Master file a compliance report that all conditions of the Settlement Agreements and the Special Master's Fairness and subsequent Compliance Report have been met.
12. The Court hereby approves the AHPNJ Regional Income Limits and the process for calculating increases as set forth in paragraph 14 of the Fair Share Settlement Agreement.
13. The Borough's temporary immunity from Mt. Laurel lawsuits shall continue until one month after the date the final Compliance Hearing is held.
14. Counsel for the Borough shall provide copies of this Order to all counsel of record, the Court Master, and the Service List within seven (7) days of the date hereof.

**Section 1.** Capitalized terms not otherwise defined herein shall have the meaning assigned to them in the Redevelopment Agreement.

**Section 2.** Redeveloper covenants and agrees that:

(a) Redeveloper shall construct the Project on the Property in accordance with, and subject to the terms of, the Redevelopment Plan, the Redevelopment Agreement, the Settlement Agreement, and all Applicable Laws and Governmental Approvals.

(b) Except for Permitted Transfers which shall not require written consent of the Borough, and subject to the terms of the Redevelopment Agreement, prior to the issuance of a Certificate of Completion, Redeveloper shall not effect a Transfer without the written consent of the Borough, which shall not be unreasonably withheld, conditioned or delayed.

(c) Redeveloper shall not unlawfully discriminate against or segregate any person, or group of persons on account of race, color, creed, religion, ancestry, physical handicap, age, marital status, sex, affectional or sexual orientation, in the sale, lease, sublease, rental, transfer, use, occupancy, tenure or enjoyment of the Property, nor shall Redeveloper itself, or any person claiming under or through Redeveloper, establish or permit any such practice or practices of unlawful discrimination or segregation with references to the selection, location, number, use of occupancy of tenants, lessees, subtenants, sublessees, or vendees of the Property.

(d) Subject to and in accordance with the terms of the Redevelopment Agreement, upon Completion of Construction, Redeveloper shall obtain a Certificate of Occupancy and all other Government Approvals required for the occupancy and uses of the Property and Redeveloper shall use the Property and/or Project only for the purposes contemplated by the Redevelopment Agreement and the Redevelopment Plan.

(e) Subject to and in accordance with the terms of the Redevelopment Agreement and the Settlement Agreement, Redeveloper shall cause the Project to be developed, financed, constructed, operated, and maintained at its sole cost and expense.

(f) Subject to and in accordance with the terms of the Redevelopment Agreement, Redeveloper shall develop, finance, construct, operate, and maintain the Project consistent with Applicable Laws, Governmental Approvals, the Redevelopment Plan, the Settlement Agreement, and the Redevelopment Agreement including the obligation to use commercially reasonable efforts to meet all deadlines and timeframes set forth in the Redevelopment Agreement.

(g) Redeveloper will promptly pay any and all taxes, assessments, and service charges when owed with respect to the Property and any other property owned by Redeveloper situated in the Borough.

(h) Redeveloper shall expressly prohibit residential units in the West Side Project, whether such units are for-sale units or rental units, from being leased or subleased for a term less than 1 full year. If such units are for sale units, Redeveloper shall further include in the condominium association or other similar formation documents a provision expressly prohibiting unit owners from renting such units or permitting a sublease of such units for a term less than 1 full year.

**Section 3.** The covenants and restrictions set forth in Section 2 above shall be covenants running with the land. All covenants in Section 2, in any event, and without regard to technical classification or designation, legal or otherwise, and except only as otherwise specifically provided in the Redevelopment Agreement, shall be binding, to the fullest extent permitted by law and equity, for the benefit and in favor of, and enforceable by the Borough and its successors and assigns, and any successor in interest to the Property, or any part thereof, against Redeveloper, its successors and assigns and every successor in interest therein, and any party in possession or occupancy of the Property to any part thereof. Said covenants shall cease and terminate upon either the lawful termination of the agreement which will render all covenants and restrictions null and void or the issuance of a Certificate of Completion; provided, however, that the covenants in Section 2(c) and Section 2(h) shall remain in effect without limitation as to time.

**Section 4.** In amplification, and not in restriction of the provisions of Section 2, it is intended and agreed that the Borough and its successors and assigns shall be deemed beneficiaries of the restrictions and covenants set forth in Section 2 both for and in their own right but also for the purposes of protecting the interests of the community and other parties, public or private, in whose favor or for whose benefit such agreements and covenants shall run in favor of the Borough for the entire period during which such agreements and covenants shall be in force and effect,

without regard to whether the Borough has at any time been, remains, or is an owner of any land or interest therein to or in favor of which such agreements and covenants relate.
