Offered By:

**WHEREAS**, the Borough Council of the Borough of Allenhurst has determined that it is in the best interests of the community to revise portions of its existing Borough Code concerning the Development Regulations, adding certain definitions and amending sections 26-4.3 and 26-4.4.

**NOW THEREFORE, BE IT ORDAINED** by the Governing Body of the Borough of Allenhurst that Chapter 26 of the Borough Code of the Borough of Allenhurst, be and is hereby amended and supplemented as follows:

##### **SECTION 1. §26-2.1 Definitions**

Existing §26-2.1 is hereby modified to insert the following new definitions, to be inserted in alphabetical order:

“Habitable Floor Area” shall be the sum of the gross horizontal area of all the stories and half stories of a building as measured from the exterior face of exterior building walls, or from the center line of wall separating two buildings. In residential buildings, garages, attics, and cellars shall not be calculated as "habitable floor area." For a new dwelling, 50% of the area of an attached garage shall be calculated as “habitable floor area.”

“Livable Space” shall be any space within a residential structure that can be used for sleeping or prolonged occupancy, including cellars and attics with interior walls, electricity, plumbing, or other features commonly referred to as “finished basements”. Living space shall be treated as a bedroom for purposes of means of egress pursuant to the Uniform Construction Code. Where livable space is in a cellar or attic it shall not be considered “Habitable Floor Area” as defined in this Chapter.

##### **SECTION 2. §26-4.3 Development Regulations, R-2 Residential District**

Existing §26-4.3 is hereby renumbered 26-4.3(a), with existing subsection “a.” renumbered as subsection “1.” And,

The following Section §26-4.3(b) is hereby added:

(b) Notwithstanding the provisions of subsection (a) of this Section or the provisions of any other Section of these Regulations, all lots in the R-2 Residential District shall conform to the following requirements:

1. For any lot in this District of a minimum of four thousand (4000) square feet but less than five thousand (5000) square feet, the maximum permitted Habitable Floor Area of the dwelling house shall be one thousand eight hundred (1800) square feet plus an additional forty-two (42) square feet of Habitable Floor Area for every one hundred (100) square feet by which the lot exceeds the minimum.
2. For any lot in this District of a minimum of five thousand (5000) square

feet, the maximum permitted Habitable Floor Area of the dwelling house shall not exceed two thousand two hundred and fifty (2250) square feet plus an additional forty-two (42) square feet of Habitable Floor Area for every one hundred (100) square feet by which the lot exceeds the minimum.

3. Portions of lot sizes of less than one hundred (100) square feet each above the minimum may not be considered in the above calculations. By way of example and not limitation, the formula for a lot containing 4,335 square feet is: 1800 square foot maximum Habitable Floor Area plus (3 x 42) additional square feet, for a total of 1926 maximum square feet of Habitable Floor Area. The remaining 35 square feet are discarded and shall not be considered in calculating the maximum Habitable Floor Area of the dwelling house.

**SECTION 3. §26-4.4 Regulations Applying to All Residential Districts**

Existing §26-4.4 (a) is hereby deleted in its entirety and replaced with the following modified §26-4.4 (a), which shall henceforth read as follows:

a. In each residential district, building height shall not exceed two and one-half (2 1/2) stories in height or thirty-five (35) feet in height, except that the provision of this subsection regarding height shall not apply to chimneys or flagpoles. No residential dwelling shall have Habitable Floor Area on more than three (3) stories, which shall include any portion or all of any one-half (1/2) story permitted by the Borough's Development Regulations.

**SECTION 4.** A copy of this Ordinance, upon introduction, shall be provided to all appropriate municipal agencies, including the Planning Board, for their review and comment pursuant to applicable New Jersey Statutes.

**SECTION 5.** Any ordinances or portions thereof which are inconsistent with the provisions of this Ordinance are hereby repealed as of the effective date of this Ordinance. All other provisions of the Allenhurst Borough Code are ratified and remain in full force and effect.

**SECTION 6.** If any provision of this Ordinance or the application of such provision to any person or circumstance is declared invalid, such invalidity shall not affect the other provisions of applications of this Ordinance which can be given effect, and to this end, the provisions of this Ordinance are declared to be severable.

**SECTION 7.** This Ordinance shall take effect immediately upon its passage and adoption according to law.
